Dedication of Minutes

As a result of action taken by the Brunswick Baptist Association in Annual Meeting on October 20, 1989, these Minutes of the Ninety-first Annual Meeting are lovingly dedicated to C. Frank Lennon and to the memory of Douglas H. Hawes, Sr., (1919-1989), both devoted Christian laymen who served our Association long and well.

DOUGLAS H. HAWES, SR.

Douglas Hawes, Sr., was born in Shallotte, North Carolina on June 17, 1919, the son of Robert Bruce Hawes and Elba Bennett Hawes. He married the former Mildred Williams of Brunswick County and they have two sons and six grandchildren.

On June 30, 1989, Douglas retired from Security Savings and Loan Association after 25 years of service as its managing officer. At the time of his retirement he was still active as a member of the Board of Directors of Security. He was also Secretary-Treasurer of the Board of Directors of Atlantic Telephone Membership Corporation, a charter member of the Bolivia Lions Club and Treasurer of the Forest Lawn Cemetery Association in Bolivia.

Douglas had also served his county as Tax Supervisor and as a member of the Brunswick County Library Board of Trustees. He was always willing to serve where needed and always active in any job which he undertook.

He was a strong Christian and a member of Bolivia Baptist Church where he served as Deacon and Trustee. He was active in Brunswick Baptist Association, serving on many committees and faithful in attendance at meetings of the Association.

Douglas died on December 11, 1989, as a result of injuries received in an automobile accident months earlier. He loved people and was always helping someone. We have lost not only a faithful and active member of the Association, but we have also lost a good friend. He will be truly missed.

C. FRANK LENNON

Frank Lennon was born and reared on a farm near Supply, North Carolina. His parents were Joseph Orrin and Lucy Robbins Lennon. He is married to the former Muriel Davis from Chesterfield, South Carolina. Working on a farm and in forestry, he was always an outdoor person. He was born April 3, 1919, and operated the family farm from 1938 until 1946, when he began working with International Paper Company. He later was employed by Canal Wood Industries and after 37 years with them, he retired in April 1984.

Frank has always been involved in the church and in community activities. He accepted Christ and became a member of Mt. Pisgah Church at an early age. He is a charter member of Supply Baptist Church where he has served as deacon, Sunday School director and teacher, Church Training director and leader, leader of Brotherhood, Church Treasurer, and on many committees such as Building Committee, Pastoral Search Committee, and representative on the Associational Executive Board. He has been a member of the church choir since the organization of the church, and has attended many State Conventions. He attended the Southern Baptist Convention in St. Louis and San Antonio. He has always served the Association on many committees and has faithfully attended its sessions.

Frank recognizes that God has greatly blessed him and has tried to live up to his motto - "Put God first, others second and self last." He was injured in a fall on May 27, 1989, and is confined to a wheelchair, but he can still look up and say, as Uncle Sam Galloway used to say: "Thank the good Lord for life."

Southport Baptist Church

(Condensed from a written history of the church, *By Faith We Serve*, by Susan S. Carson.)

During the dark days of Reconstruction a few years following the Civil War, a small group of Baptists living in the small town of Smithville (now Southport) were meeting in homes, especially in the attic of the home of a local merchant, John L. Wescott, with visiting "exhorters" preaching for them. Later, as their numbers grew, they began meeting in the Courthouse.

On March 14, 1871, work began on what was referred to in the records as "a neat and comfortable house of worship." The building was located at the corner of Howe and Nash Streets in the town, even as it is now. However, the original church faced on Nash Street. By September 15, 1871, the new structure was ready for use and Sunday School, the first service, was held in the building on September 17, 1871, and eleven o'clock on that beautiful Sunday, Rev. S.W. Wescott preached. The dedication of the building was held the following Sunday, with the Rev. J.C. Hiden of First Baptist Church preaching. No further services were held until December 23 of that year. A member of the First Baptist Church of Wilmington presented the new church with its first record book and another member gave the first bell, sending an order for the bell to Philadelphia where it was cast.

The exact date of formal organization is not given in the minutes, but in April 1876, 13 members of Bethel Baptist Church, located a few miles beyond the city limits, were given "letters of dismission" for the purpose of "constituting a church of the same faith and order in the Town of Smithville." Their names, together with 28 others, appear on the first roll of Smithville Baptist Church. The roll was divided into two lists, one for male members and one for female members.

Great care was taken in those early days to insure that members lived exemplary lives. Much emphasis was placed on attendance at worship services and business meetings, and refraining from sinful practices.

Several times during the early years the church had to seek out and was granted State Mission funds for carrying on its work.

In 1887 the name of the little town was changed by legislative act to Southport. However, it was several years before the church got around to changing its name, too.

The first record of a baptism being held in the church baptistry was on April 18, 1897. Prior to that time baptismal services were held at the foot of Howe Street, near the well-known "Whittlers Bench," in the Cape Fear River.

It is not known when the Woman's Missionary Union of the church was organized but it was already active by 1899 when it was reported that the WMU was working with the women of Antioch Church to fill a "missionary barrel" for sending to frontier missionaries.

The minutes for 1905 through 1915 have been lost but from newspaper accounts it is learned that during the period the original building was remodeled and enlarged. World War I also came during this period and older members of the church recall the ministry of the church to soldiers stationed across the bay at Fort Caswell. The pastor, Rev. J.L. Jenkins, also went often to the fort to hold services for the men.

Sunday School has always been the strongest organization of the church and has continued its growth over the years.

On Thanksgiving Day 1948, the first service was held in an enlarged and remodeled building at the same location. The sanctuary was the original building but was brick veneered and the interior somewhat remodeled. The building had been turned to face Howe Street in 1928 and the new addition reached out in a "T" shape across the back and a basement was added for a fellowship hall.

In 1955, the Sunny Point Army Terminal was built near Southport and brought many new people into the church's membership. Also that year the church adopted its first constitution. In June of the next year two building lots were given to the church in the newly opened Cape Fear River Heights section of town and were used for the building of a parsonage, replacing the one on Nash Street adjoining the church. On September 1, 1957, Open House was held in the new parsonage.

Two years later two more lots were given to the church, this time on Long Beach. There were many Baptists living on Oak Island at the time and the church began a mission there. Services were held in the Long Beach fire station and the Southport pastor, Rev. Mark Owens, also preached at the mission. The mission members and the mother church members worked hard to see a church building constructed there and soon services were being held in the building. On April 9, 1967, the mission became Oak Island Baptist Church.

During 1960 and 1961 the first memorial windows were installed at Southport Baptist and the auditorium was air conditioned. In October 1960, in a service of praise and thanksgiving, the first recorded Homecoming Day for the church was celebrated.

More space was needed and a new wing was completed in late summer of 1970. On September 13-19, 1971, the church celebrated its Centennial. Several former pastors came to take part in the week-long observance.

Growth continued and on September 11, 1988, the sanctuary in which the church now worships was dedicated with Dr. Roy Smith of the Baptist State Convention, bringing the inspiring message.

Growth is still being experienced with many activities in teaching, training, witnessing and missions. Today membership stands at 710.

Calvary Baptist Church

(Excerpts from a history of the church written by Mrs. Wilbur Holden for a Homecoming Service on September 9, 1973.)

Calvary Baptist Church had its beginning on February 10, 1961, when a group of 19 local Baptists met in the home of Mr. and Mrs. C.S. Hewett for the purpose of discussing the possibility of organizing and building a church.

Business meetings were continued in the homes and the first Sunday School was held in the American Legion hut, with a director and three Sunday School teachers.

Worship services were held in the American Legion hut until June 4, 1961, when the services were held in a house owned by one of the members. At that time the group felt it was God's will for them to have a church building, so they informally organized as Shallotte Mission. At the Annual Meeting of the Brunswick Baptist Association, the little group was taken under the watch-care of the Association.

The project of beginning a new church was entered into with complete faith that it was within God's will. Fervent prayers were made for guidance. Mrs. Margaret McRackan, Associational Missionary; the Rev. Mark Owens and Mr. E.J. Prevatte, gave help and guidance.

After some difficulty in securing a site, a tract of land was purchased on June 21, 1961, with payment made in full. Three trustees were appointed. On October 11, 1961, a previously appointed "Naming Committee" presented "Calvary" as the name for the new church. Ground breaking ceremonies were held on October 15, 1961, followed by the pouring of the foundation on October 30. Much of the work was done by members on a volunteer basis.

The first deacons were elected on December 10, 1961, and on December 13, 1961, the Mission was formally organized under the direction of the Holy Spirit and through consultation with the Brunswick Baptist Association leadership. A church covenant and constitution were adopted with charter membership to be left open until June 1962. By the closing date of the charter there was a membership of 35.

In January 1962 a loan was secured from Waccamaw Bank & Trust Company for the purpose of expanding classroom facilities. The first Lord's Supper was held about the same time and it was decided to observe the ordinance once a quarter. The Woman's Missionary Union was also organized in 1962. The first pastor, Joseph Lassiter, was called on April 11, 1962, and on April 15 the first service was held in the new church.

In July 1962, the General Board of the Baptist State Convention donated $1,000 to the church, which was placed in the Building and Grounds Fund. The following month ordination services were held for the purpose of ordaining Mr. Lassiter to the gospel ministry.

By September 1963, four classrooms, a kitchen and fellowship hall had been added to the building and there was a total membership of 83.

Progress was made in all aspects of church life. More land was acquired for adding to the church. Plans began on January 13, 1965, for building a parsonage and it was completed the first of April.

The years passed and the church was active in all respects. When Homecoming was observed on September 9, 1973, the writer of the church's history presented that day said:

"We at Calvary Baptist Church feel that we have accomplished a great deal and are grateful to God for all His mercies and His leadership. Today we are debt free and hope with God's help to do greater things. It is our prayer that the Church will forever be completely His and that God will direct our every move."

"TO GOD BE THE GLORY, GREAT THINGS HE HATH DONE."

Memorial Service for Beloved Dead

In memory of those who passed from our midst in the past church year, and in expression of sympathy from us to their families and churches, I want to read one verse of Scripture - the words of Jesus in John 14:18, "I will not leave you comfortless: I will come to you." As he spoke words of comfort to his disciples of that day, even so he speaks to us his disciples of today.

When I have read the names of our Beloved Dead, will you pray with me now for their families, friends and churches that God will send his comfort to them.

Also, I do not feel that it would be amiss in our prayer to remember the families and friends of those who have died in the recent California earthquake and for those who suffer in any way because of it. Perhaps you, as I do, have a friend or relative there from whom you have not yet been able to hear. Let us pray.

Susan S. Carson, Clerk

Director of Missions Report

INTRODUCTION

The Director of Missions Report to this Annual Session of the Brunswick Baptist Association is presented under four headings for the sake of clarity and easy reading.

I. HIGHLIGHTS OF 1988-1989 ASSOCIATIONAL YEAR are as follows:

OCTOBER, NOVEMBER, DECEMBER, 1988 QUARTER:

1. The Annual Session was one characterized by the spirit of unity, cooperation and determination.

2. Bro. V.C. Potter, Jr. was elected Moderator and Bro. Franklin Myers was elected Vice Moderator. Bro. Myers answered the call by the First Baptist Church of Spencer, North Carolina to be their pastor. In Executive session the Association elected Brother Wayne Trexler to serve as interim Vice Moderator to serve through this Annual Session.

3. Our Church Training "M" Night program was fantastic. The auditorium at Supply Baptist Church was filled to capacity as churches presented their "White Christmas Gifts" for needy families in the Brunswick area. Many families had an excellent Christmas because of the generosity of the Brunswick churches. Dr. Roy Smith delivered an impressive message and all present were motivated to higher achievements.

4. Reports from the churches indicate the "Lottie Moon Christmas Offering" was one of our best. Many churches achieved their local contribution goal and some exceeded their goal.

JANUARY, FEBRUARY, MARCH, 1989 QUARTER:

1. The "January Bible Study" throughout the association had high attendance. Many churches report not only high attendance but that they had masterful teaching.

2. The Brunswick Association ASSISTeam was 100 percent in attending the state sponsored conference. The ASSISTeam of the Brunswick Association was recognized as having achieved "Standard" work during the year and was awarded a certificate for this achievement. The Brunswick Sunday School Clinic had conferences for leaders of all ages. It was well attended.

3. The VBS Backyard Bible Club Training Clinic at the Resource Center brought in leaders from a dozen or more churches and the interest was high.

4. The Sunday School Clinic at Antioch had conference rooms filled with people. The conference leaders were most inspiring, helpful and instructive.

5. Our WMU, Pastors, Staff Banquet overflowed the fellowship hall of the Friendship Baptist Church. Both the church and our WMU leaders prepared well for the occasion.

6. The Brunswick Baptist Association Evangelism Conference at Southport was inspiring, and helpful in so many ways.

7. The Children's Bible Drill at Faith produced 13 winners from two churches. These went on to the state sponsored Church Training Children's Bible Drill Tournament where the Brunswick Association again had 13 state winners from two churches.

8. Nineteen churches made a commitment to the 10/90 Sunday School Growth Campaign. Dr. Eugene Skelton is our Coordinator. Prep I, II, III and the Special Training Session went well. We are looking forward to the November 4-12 Campaign in these churches.

APRIL, MAY, JUNE, 1989 QUARTER:

1. The Brunswick Association had a full team in attendance at the State Key Leadership Conference at Ridgecrest. These leaders returned home well prepared, with information, and with inspiration to conduct our Brunswick Association Key Leadership Conference which was well attended with most churches participating.

2. Our Resort Ministry of this summer suffered some because we lost our Resort Ministry Director, Bro. Paul Early who returned to the mission field for 18 months. We also lost one of our Coordinators when Bro. Myland Presnell asked to be released of his duties due to his heavy personal schedule. We lost the leadership of Bro. Franklin Myers in the Holden Beach area when he went to Spencer, North Carolina as pastor. We were fortunate in having the services of Bro. James Hartman, a skilled Minister of Education from the Pritchard

Memorial Baptist Church of Charlotte, North Carolina when he moved to the Holden Beach area and became a member of Calvary Baptist Church. Bro. Hartman has served us well along with Bro. Jesse Bentley who did an excellent job at the Brick Landing Camp Ground.

JULY, AUGUST, SEPTEMBER, 1989 QUARTER

1. The Baptist Brotherhood has been very active this year. They have conducted "Work Shops", and a Men and Boys' Supper with a missionary speaker. During the quarter they jointly sponsored an Associational Picnic with the WMU. The Picnic was a successful event at Town Creek Park on Saturday, September 7, 1989.

2. The Associational Music Department had 100 its first night and 79 its second night of the Associational Music Clinic at the Southport Baptist Church.

3. The Associational Choir and the Burnt Swamp Choir have had successful practices as Bro. Eddie Hicks prepares the choirs for our Church Training sponsored Musical at Fort Caswell scheduled for Saturday, October 21 at 7:00 P.M.

II. SPECIAL OPPORTUNITIES OFFERED TO THE CHURCHES DURING THE 1988-1989 YEAR:

The Missions Performance Group Leaders have offered special trainng, instruction, helps and aid to the churches this year in form of conferences, clinics, workshops and other forms. In addition to the central sessions offered each Director and his/her team have gone into individual churches to help at the request of the church. The Sunday School ASSISTeam met 12 times; the Church Training offered help through four central meetings; the Brotherhood and WMU offered help to the local church as well as in several central meetings during the year in an effort to help churches improve their mission efforts. The Library/Media Director has purchased new books, visuals, and materials; prepared library items for distribution.

III. PERSONAL ENGAGEMENTS OF THE DIRECTOR OF MISSIONS:

1. Attended the Brunswick Baptist Pastors' Retreat at Caswell; 2. Attended the Small Church Workshop at Caswell; 3. Attended the Baptist State Convention at Greensboro; 4. Attended the Eastern DOM Conference at Caswell; 5. Attended the Evangelism Conference at Greensboro; 6. Attended the Sunday School Clinic at Cary; 7. IV. DIRECTOR OF MISSIONS ACTIVITIES WITHIN THE ASSOCIATION:

2. ACTIVITIES AMONG THE "SEARCH COMMITTEES":

Your Director of Missions has met with "Search Committees" of 11 different churches, for a total of 16 meetings.

3. ACTIVITIES AMONG SPECIAL AND STANDING COMMITTEES:

He has attended all committee meetings of the various committees of the association that met during the year and met with all special committees.

4. ACTIVITIES AMONG THE CHURCHES:

Your Director of Missions has visited at some time during the year each of the 42 churches; served as Supply Pastor in 16 of the churches and with some churches two or more times; assisted 12 churches with their church programs; and met with 12 individual groups from churches.

5. ACTIVITIES IN OTHER ASSOCIATIONS AND STATE CONVENTION:

He delivered the Homecoming Sermon at Trinity Baptist Church of Fayetteville; assisted the Burnt Swamp Association with two Deacon/Pastor Stewardship Meetings; met three times with Brother Michael Cummings of the Burnt Swamp Association to discuss Coastal Baptist Study Center; and met several times with the Coastal Faculty.

CONCLUSION

1. The Association is facing a crisis currently with 13 churches without pastors. Eighteen of the 42 churches have changed or are in the process of changing pastors. This is to be expected. The Lord continues to extend "A Call to Pastors" and they continue to "Answer the Call."

2. Your Director of Missions is honored to serve you in the Brunswick Association. This is a great association that is characterized by the spirit of unity, cooperation and determination.

Clerk's Report

1. By the time we began this Annual Session, I had received all but four of the Uniform Church Letters. This is remarkable and I appreciate the hard work of the Church Clerks in getting these prepared and in my hands. Some of them even drove to Southport to hand deliver them.

2. I cannot, of course, because of the missing letters, give a full report, I do want to mention some information which I think you will find interesting:

(a) First of all, 17 churches made what I called my Clerk's Honor Roll. I say this because they made the deadline of October 10. Those churches were: Longwood, Boone's Neck, Community Chapel, New Life, Grace, Bonaparte, Supply, Leland, Calvary, Sunset Harbor, Mill Creek, Town Creek, Elah, Sabbath Home, Beach Road, Southport and Bethel. These

clerks are to be commended highly. They have helped me and the Statistician to get a good start on our work.

(b) The UCL's received showed 196 baptisms. I have not compared this to last year because I cannot do this until all letters are in.

(c) The UCL's received showed 7,136 members in the 38 reporting churches. Of these 6,177 are resident members. What a powerful force we can be for our Lord in Brunswick County and around the world.

(d) An interesting sidelight is that this year's church letters asked for the number of male member. The reporting churches gave a figure of 2,556 males. This means, of course, the other 4,579 are female.

3. Nineteen churches requested copies of the 1989 Annual. Five of them did not send in money, the others did in amounts ranging from $2.00 to $7.00 per copy. I am sorry I have no way of telling you how much the 1989 Annual will cost. This can only be determined when the material is all presented to the printer. The nearest I can come to a figure is to suggest that we use the same as last year - $5.00 a copy. Also, last year the Association voted that each church should receive three copies without charge and then any others desired at a cost of $5.00 per copy. If it is your wish to continue this arrangement, then proper action will have to be taken by this body to so insturct me. I do need some definite guidelines.

4. There are still many copies of the 1987 and 1988 Annuals at the Associational Office. We need to make a decision about these.

Clerk's "Early Bird" Honor Roll

Many thanks to the Churches and their Clerks who made the deadline of October 10 for sending in their Uniform Church Letter. Their cooperation helped me greatly in preparing for our Annual Session.

Executive Board Minutes

SHELL POINT BAPTIST CHURCH

January 9, 1989

The Executive Board of the Brunswick Baptist Association met in regular session on Monday, January 9, 1989, at 7:30 P.M. at the Shell Point Baptist Church, with the Moderator, V.C. Potter, Jr., presiding.

The Moderator called the meeting to order and following the singing of the hymn, "Footsteps of Jesus," led by Bill Greer, the devotion was given by Don Hardwick, pastor of Shell Point.

The Moderator welcomed the body to the first meeting of 1989 and asked the Clerk to call the roll. Twenty-two churches were represented and 51 persons were present.

The former Moderator, J. Bryan Dosher, asked for a few moments of our time which was granted and he thanked us for the love and cooperation that had been shown him during his term of service just completed. He also expressed his gratitude that the Association had honored him in dedicating the 1988 Annual to him.

The DOM came to give his quarterly report. He had copies distributed and then spoke to the report, reviewing things that had been accomplished and challenging us to now do the many things in our Association that yet need to be done.

The minutes of the October meeting of the Board were read and approved as read. The Clerk was given a few moments to urge the churches to begin even now preparing to have their 1989 church letters ready for the Association's Annual Session by October 9, 1989.

The Treasurer, Ruth Galloway, gave an oral report.

Franklin Myers, Chairman of the Missions Performance Group, gave his report.

Several announcements were made, followed by a request from the Association Properties Committee for $150.00 for work needed to be done on the driveway of the new Resource Center. Motion was made and seconded that the request be granted. There was no discussion and the motion was carried.

In the absence of E.J. Prevatte, because of illness, D.H. Hawes of the Committee on Incorporation, gave the report of that committee. Progress is being made and a final report is to be made at the April Board meeting.

There being no further business, the meeting was adjourned and the women of the host church served delicious refreshments in the church fellowship hall.

Executive Board Minutes
ANTIOCH BAPTIST CHURCH
April 10, 1989

The Executive Board of the Brunswick Baptist Association met in regular quarterly session on Monday, April 10, 1989, at 7:30 P.M. at Antioch Baptist Church, with V.C. Potter, Jr., Moderator, presiding.

Following the singing of the hymn, "Nothing But the Blood," led by Franklin Myers, the Rev. Paul Early, interim pastor of Antioch, gave the devotional. The Moderator then called the meeting to order and a special welcome was extended to Ray Webb, pastor of the recently constituted (April 2, 1989) Beach Road Baptist Church, Southport.

The roll was called, with nine pastors, 31 messengers, six visitors, representing 18 churches, for a total of 46 persons in attendance.

The Director of Missions gave his report.

Minutes of the January 1989 meeting of the Executive Board were read by the Clerk and approved as read.

The Moderator called for Old Business:

(1) The Committee on Incorporation reported as follows: "We recommend that the Association not be incorporated at this time. This is an open recommendation, subject to reconsideration at any time the Association may elect so to do. In the meantime, the Committee further recommends that the Association, through its Trustees, deal with the Association's present insurance carrier, in obtaining a liability policy on the Association's employees in favor of the Association in the amount of $1,000,000, with the provision that the policy can be made on a $500,000 to $1,000,000 basis should it, in the opinion of the Trustees, best suit the needs of the Association."

Such motion was made, seconded, discussed, voted upon and carried.

(2) The Clerk reported that she had received 65 copies of the 1988 Minutes (Annual) from Sea Way Printing; that the remaining copies would be ready by Friday of this week. She further reported that the cost for the minutes was much greater than the estimate had been.

(3) It was brought to the attention of the Board by Mrs. Margaret Clemmons that quite a number of the 1987 Annuals were still available at the Resource Center Library and request was made for instruction as to disposition of the copies. Motion was made, seconded, discussed, voted upon and carried that the copies be made available to any church who would pick them up, at no charge to the churches.

(4) Motion was made that each church in the Association should receive three (3) copies of the 1988 Minutes without charge and that all others be distributed at a charge of $5.00 per copy. The motion was seconded, discussed, voted upon and carried.

(5) Motion was made, seconded, voted upon and carried that the Treasurer be authorized to pay the bill from Sea Way Printing for the 1988 Annuals in the amount of $2,491.13. The action was necessary because the amount of the bill exceeded the amount provided for the Annuals in the budget.

The Treasurer, Ruth Galloway, gave out copies of her report and same was accepted for information.

The Missions Performance Group Chairman, Franklin Myers, gave a report from that group and same was accepted for information.

Several announcements were made concerning coming events.

The Moderator then called for New Business:

(1) R.C. Eaton, Chairman of the Properties Committee, read the report of the Committee recommending the paving of the driveway at the Resource Center from U.S. Highway 17 to the back property line, together with the parking lot, as shown on plat attached to the recommendation; that the bid of Lanier & Sons, paving contractors of Leland, in the amount of $6,796.00 be accepted. Motion to this effect was made, seconded, discussed, voted upon and carried.

(2) The Director of Missions announced that the Association had received $707.30 from the 1988 State Missions Offering. He recommended that the money be put into the Coastal Baptist Study Center Scholarship Fund. Motion was so made, seconded, voted upon and carried.

(3) J. Tyler Potter reported on the Morehead Property Fund, stating that there is still some money in the fund for the purchase of materials, but that the Committee needs volunteers to help in making repairs and in obtaining a refrigerator for Mrs. Morehead who has been without one for the past two years. Margaret Clemmons agreed to check on obtaining a refrigerator for Mrs. Morehead.

Motion to adjourn was made, seconded, voted upon and carried. The Moderator called for special prayer for Rev. Donald Hardwick, Rev. Clinton Turner, and the family of the Rev. Avery Lumsden in the loss of a loved one.

Following the closing prayer, the ladies of Antioch Church were hostesses for a delightful time of fellowship.

Executive Board Minutes

BEULAH BAPTIST CHURCH

July 10, 1989

The Executive Board of the Brunswick Baptist Association met for its third quarterly session on July 10, 1989, at 7:30 P.M. at Beulah Baptist Church at Hickman's Crossroads, with the Rev. V.C. Potter, Jr., Moderator, presiding. The Moderator called the meeting to order. Rev. Bill Greer led in the singing of "Footsteps of Jesus." Rev. Randy Gruber brought the devotional thoughts, and the Rev. James Whitworth led in prayer.

The Moderator welcomed the pastors, messengers and visitors. A roll call of the churches revealed that 25 churches were represented with 11 pastors, 31 messengers, and nine visitors in attendance, or a total of 51 present.

The Director of Missions gave his report in both written and oral form. The report is attached.

Minutes of the second quarterly meeting of the Board were read by the Clerk and approved as read. The Clerk made a few remarks about the Uniform Church Letters which she had ready for distribution. She also asked the Moderator to appoint a Publications Committee to help in making decisions concerning the Annual for 1989.

The Moderator called for any Unfinished Business: (1) The Chairman of the special committee on incorporation stated that no action had been taken by the trustees to obtain the recommended insurance policy. (2) Mrs. Margaret Clemmons and J. Tyler Potter reported on their efforts to obtain a refrigerator for Mrs. Morehead, widow of a former Director of Missions.

The Treasurer gave out copies of her written report and asked for any questions the body might have. There were no questions and the report was received for information. Report is attached.

There was no report from the General Board Representative, John Dozier, due to his serious illness.

Rev. Franklin Myers, Chairman of the Missions Performance Group, is also ill and his report was given by Mrs. Margaret Clemmons. Written reports from the various Councils from the Group were handed to the Clerk for information. These are attached.

Several announcements were made.

The Moderator then called for matters of New Business:

Recommendation and motion was made that the Nominating Committee be empowered to fill the unexpired term of Dr. Paul Early as Chairman of Missions Development until the Annual Meeting in October. Motion was made, seconded, voted upon and duly carried. It was noted that Dr. and Mrs. Early are returning to the mission field (Trinidad), to be gone at least 18 months.

As recommended by the DOM, motion was made that a sum not to exceed $1,500.00 be set aside for the purchase of a new typewriter for the Associational Office. The motion was seconded, and there being no questions, was voted upon and duly carried.

The Properties Committee Chairman, R.C. Eaton, reported that the paving of the Resource Center driveway and parking lot had been completed; that the extra expense which had been involved had been absorbed by the contractor and donated as a gift to the Association. The Clerk was requested to write a letter of thanks to Lanier and Sons, contractors.

The Properties Committee Chairman also presented a drawing of a proposed sandblasted redwood sign for the Resource Center, the cost for which is $3,727.50, by Jack Scarborough Design of Shallotte. He stated that his committee was recommending that this bid be accepted. Motion was made, seconded, voted upon and duly carried.

The Rev. Ray Webb, pastor of Beach Road Baptist Church, Long Beach Road, which was constituted in April, read a letter from that church requesting affiliation with the Brunswick Baptist Association, first to come under its watchcare and then into full membership. There were no questions and the vote on the matter carried unanimously.

In the absence of the Rev. S.L. Doty, Jr., Chairman of the Nominating Committee (due to the illness of Mr. Doty), the Rev. J. Bryan Dosher read the Committee's report. The matter was voted upon and duly carried with one small exception. James Hartman was listed as "Interim" Director of Missions Development Group to serve until the return of Dr. Paul Early. The Parliamentarian called to our attention that we could not elect an interim except to fill an unexpired term. Therefore, the word "interim" was dropped and the name of James Hartman remained as Director of the Missions Development Group.

Applications for State Aid from the Baptist State Convention were read from Bonaparte Baptist Church and Beach Road Baptist Church, asking approval from the Association. The vote was taken and it was so ordered.

The Moderator appointed Douglas Hawes, Sr., Mrs. Betty Gavin and Miss Ruth Galloway as a Publications Committee to assist the Clerk and Statistician in matters relating to the publication of the 1989 Annual.

The meeting was then adjourned with prayer by the Rev. Ray Webb and refreshments were served by the host church.

Executive Board Minutes

LEBANON BAPTIST CHURCH
October 9, 1989

Moderator V.C. Potter, Jr. called the meeting to order. William Greer, host pastor, led in the singing of a hymn, the devotional thoughts and prayer.

The Moderator extended a welcome to all and the roll was called by the Clerk. There were 20 churches represented with 11 pastors, 30 representatives and 13 visitors. Associational officers present were Moderator, Clerk, Treasurer and Parliamentarian.

The Director of Missions gave a verbal report. The Clerk read the minutes of the Executive Board held on July 10, 1989, and the minutes were approved as read.

There was no unfinished business.

Copies of the Treasurer's Report were given out for information purposes. No questions were raised concerning the report.

The Clerk gave a short report of her activities and mentioned questions which had been raised to her about the cost of copies of the 1989 minutes. Mr. E.J. Prevatte reported that it was planned to have a copy of the combined 1985 and 1986 minutes ready to be shown for approval at the Annual Session on either October 19 or 20.

Mrs. Margaret Clemmons gave a report from the Missions Performance Group and stated that she would bring a recommendation from that Group during the period for new business.

Rev. Wayne Trexler, Chairman of the Evangelism Committee, reported that plans were underway for participation by the Brunswick Association churches in the Simultaneous Revival effort "Here's Hope" for 1990.

Several announcements were made, including one by Rev. J. Bryan Dosher regarding the forthcoming vote on the beer and wine referendum for Brunswick County on November 7, 1989. Posters and cards were made available for use by the churches and individuals.

The Moderator called for new business and the Missions Performance Group, represented by its Secretary, Margaret Clemmons, made the following recommendation:

> "WHEREAS, Coastal Baptist Study Center is now affiliated with the Seminary Extension Centers rather than the Fruitland

Baptist Bible Institute, the Missions Performance Group recommends that the Coastal Baptist Study Center be affirmed as a ministry sponsored by the Brunswick Baptist Association."

Motion was so made, seconded, voted upon and duly carried.

The Clerk was asked to write notes to C. Frank Lennon and the family of Douglas H. Hawes, Sr. expressing the concern of the Executive Board because of the accidents suffered by Mr. Lennon and Mr. Hawes. Special prayer was requested for them and for the family of Mrs. S.L. Doty, Jr. in which a double tragedy had been experienced recently.

Announcement was made that Rev. Hartwell Condrey, pastor at Elah and former Moderator of the Association, had resigned the pastorate at Elah to become pastor of a church in Newberry, South Carolina. The Board expressed its appreciation to Mr. Condrey for his service to the Association.

There being no further matters to come before the body, the meeting was adjourned with prayer. Refreshments were served in the Fellowship Hall by the ladies of the church.

Statistical Clerk's Report

1988 - 1989

The composition of this year's tables are quite different from past years. First of all you will notice that there is no page break (or run-over) of churches and statistics for the individual table. All statistical data for each church in the Brunswick Baptist Association is found calculated and totaled on one, easy to read page. This is made possible by the fact that all information has now been stored in computer. The new arrangement of the statistical tables should make your evaluation of strengths and weaknesses more simplistic.

There are 12 statistical tables listed in the back of this book. These 12 tables are alphabetically listed (i.e., Table A thru Table L) A summary listing of each table is as follows:

Table A: Church Membership/Information
Table B: Sunday School
Table C: Church Training
Table D: Music Ministry
Table E: Woman's Missionary Union
Table F: Brotherhood
Table G: Stewardship
Table H: Mission Expenditures
Table I: Special Information
Table J: Special Information (Continued)
*Table K: Pastors name, church and mailing address. Sunday School Director name, church and mailing address
*Table L: Top Ten List

*(New Tables)

All numeric calculations and totals (with the exception of "Previous Year Totals") were done by computer so the margin of error is minimal. Please make marginal allowances for transfer human error, plus the fact that some information on the individual church letters was not easy to decipher. However, please be aware that all work was double and triple checked to provide you with the most accurate statistical information possible.

You will also find the inclusion of several graphs which depict a visionary comparison in the Brunswick Baptist Association standings from the 1987-88 to the 1988-89 associational year.

Thank you for allowing me the opportunity of serving you in this capacity.

Audit Report

The Audit Committee met with the Association Treasurer, Miss Ruth Galloway, on October 12, 1989, and examined the financial records of the Association for the fiscal year 1988-1989. These records included the following accounts:

General Fund Checking Account
Savings Account

We verified the receipts with deposits made in the bank, checked disbursements and transfers between accounts and arrived at the balances shown on the bank statements and on the Treasurer's Financial Report to you.

It is our opinion that the Financial Records of the Association have been and are being kept in a neat, detailed and orderly manner.

We are indeed appreciative and grateful for the excellent job Miss Galloway is doing and has done over the years. We are blessed to have her working in our Association.

Respectfully submitted,

Resolutions Committee Report

We wish to express our appreciation to Southport Baptist Church and to Calvary Baptist Church for their gracious hospitality and warm reception at this annual meeting of the Brunswick Baptist Association.

We further wish to express our gratitude to God for taking care of us so wonderfully well during the recent hurricane, Hugo, and sparing us the devastation that so many suffered, realizing that it was not because we deserved to be spared above others, but grateful for this blessing.

We are thankful for the response of our people in helping those in devastated areas. We know that sharing has brought blessings to many.

We thank God for the Christian unity among and between the churches in our association.

Respectfully submitted,

Resolutions Committee

Ordination Committee Report

The Ordination Committee is grateful for the opportunity to have served you this year. The Committee received no requests for Ordination from the churches.

In Christ,
David C. Woodley, Chairman

Pastoral Ministries Report

Pastoral Ministries are to provide opportunities for pastors, church staff persons and deacons to experience spiritual, personal and leadership growth. Hopefully, this can be augmented in a greater way in 1990 by proper scheduling and good instructions.

We had an associational deacon orientation meeting on Monday, October 2, 1989, at Jennies Branch with seven deacons and ex-deacons present. Rev. Marvin Chapman gave an excellent presentation.

Respectfully submitted,
Jesse Bentley, Chairman

Recreation Director's Report

The recreational activities of our Association have been sadly lacking in the past. Our future plans will depend upon the interest and support of all our churches. Some have expressed a desire for the formation of a softball league or some other sports-oriented program. One or more Associationwide "Picnic Get-Togethers" with attendant games is also a possibility. Our recent picnic at the Town Creek Park, sponsored jointly by the Brotherhood and Woman's Missionary Union, has perhaps paved the way. A good time was had by all. With cooperation and diligent work we can make positive progress in the future.

Yours in Christ,
William Greer, Recreation Director

WMU Director's Report

WMU began the year with a Workshop for church WMU leaders and officers. The Week of Prayer for Foreign Missions and the Foreign Missions Study were observed and participated in by 27 churches. An Extra Training Session was held in January at Faith Baptist Church.

A campaign to raise funds to send three volunteers to Jamaica was spearheaded by WMU. On February 23 the Pastors, Staff and WMU Directors' Appreciation Banquet was held at Friendship, and the three volunteers were introduced and presented the funds to help finance the missions trip. The volunteers were Mr. and Mrs. Terry Varnam and Ennis Swain, all of Gospel Center Church. Their missions trip has provided us with firsthand information from the mission field and many of our people felt closer to missions from having participated in this missions project.

Following the return of the volunteers, Baptist Young Women became deeply concerned over the lack of Bibles in Jamaica because of the destruction caused by Hurricane Gilbert, and a drive by them was launched to purchase as many Bibles as possible to send to Jamaica. Response was great and 150 Bibles were purchased from the American Bible Society and sent to missionaries in Jamaica for distribution.

The State WMU Meeting in Fayetteville was attended by representatives from 21 churches of the Brunswick Association.

Baptist Young Women sponsored a prayer retreat for Baptist Women and Baptist Young Women at Bolivia in November. Here we viewed a video of the work done by the missions volunteers in Jamaica and divided into groups to pray for our concerns in foreign, home, state, association and local church missions.

The Associational WMU Annual Meeting was held in May at Calvary and we were inspired to think more seriously about missions in the Brunswick

Association as we listened to messages from our Director of Missions and to Mrs. Mary Allred, who spoke on literacy missions.

GA Camp at Caswell was the best ever. Carol Hardee and Debbie Adams combined efforts for a time of teaching, witnessing and sharing with GAs, leaders and for the first time in the Brunswick Association, some RAs. Music, fun, fellowship and study were enjoyed by the youth, but their highlight was the "hands-on" contact with the missionaries.

The Associational WMU Council met in July at Calvary for annual planning for the new church year, and July 26 and 27, the Council attended training for Associational Officers held by State leaders at Caraway Conference Center. Despite Hurricane Hugo and tornado warnings, 56 WMU leaders attended the WMU Leadership Training at Shallotte, First. Leaders attending that meeting felt the need to minister to victims of Hurricane Hugo. Some Brunswick WMUs joined with some in the Dock Association to load an 18-wheeler with food and supplies to be taken to First Baptist and Hawthorne Baptist of Charleston to be distributed to those in need. Gayla Varnam, Mission Action Director-elect, did a great job in coordinating this on short notice.

The Brunswick Baptist Picnic, a joint effort of WMU and Brotherhood, on October 7 at Town Creek Park, climaxed the 1988-89 church year. Sixty-seven people from nine churches attended this first ever associational picnic, enjoying food, fellowship, games, vespers and a sing-a-long. Brotherhood and WMU are considering other events together for the coming year.

Much has been done; much, much more remains to be done. It is the desire of WMU to "Reach, Teach and Touch" in 1989-90.

In His Service,
Jacqueline B. Smith, WMU Director

Baptist Women Report

In some respects, this has been a rather unusual year for our Baptist Women's associational organization. The elected Baptist Women's Director resigned due to ill health, and a replacement was not found. The Baptist Young Women Director agreed to combine the duties of the two age-levels until the Baptist Women Director could resume her duties.

By the time for the Associational WMU Workshop on October 24, the Director was able to teach the manual at the workshop and 22 women came for the training.

On November 7 the Baptist Women's Day of Prayer was held at Bolivia Church with the Baptist Young Women Director in charge. The program was well planned and a large number of Baptist Women and Baptist Young Women were in attendance. At the close of the meeting the Baptist Women from Gospel Center Church presented a handmade WMU Centennial Quilt to Mrs. Susie Carson in appreciation of her many years of service in Associational WMU work.

The Baptist Women Director took part in the team teaching of the Adult book of the Foreign Missions series in several churches with a large number of women being reached with the study.

In January, the Baptist Women's Director helped with the Extra Training Session for Baptist Women at Faith Baptist, and attended the WMU Appreciation Banquet in February at Friendship Church. Women from at least five of our churches attended the State Annual WMU meeting in Fayetteville in late March.

Also women from many of our churches have helped raise money for Volunteers in Missions projects that have been undertaken during the year.

Much has been accomplished by the Baptist Women of this Association, but there is yet much to be done as we continue our work for the remainder of the year. I would particularly challenge you to take part in every missions opportunity that may be offered you for training, for giving, for going, if the Lord so directs. And without nagging, let me ask you to be sure to get your end-of-the-year reports to our WMU Director on time. It is just as easy to do it when the reports are due as it is to put it off beyond the due date - in fact, it's really easier!

Susan S. Carson
Baptist Women Director

Baptist Young Women Director's Report

I am so proud of our BYWs this year. We have really had good participation from them at all of our training sessions, and to me that says we are growing and going to work at the task of Missions for our Lord.

We saw one new group get started at Leland Church and this is great; but let's not stop at that, let's really get involved. Study Missions, Talk Missions and Do Missions!

Janice R. Singletary, BYW Director

Mission Friends Director's Report

This year began with our Annual Workshop and new manuals. There were a few changes, but our missions purposes are still the same. Mission Friends are putting more emphasis on missions. There were lots of new and different ideas discussed. All the leaders agreed that our lives have been blessed as we have shared Christ with Mission Friends.

A new organization was started at Woodburn First in November and work in many of our churches has been renewed.

A young child's experience with God is simple and direct. What they learn in Mission Friends organizations will become a part of and affect their future. Jesus said, "A little child shall lead them."

Sue Creech, Mission Friends Director

12. August 17, 1989, began a series of meetings with the associational WMU leaders to plan an associational picnic. The picnic will be a covered dish meal at Town Creek Park October 7, 1989, from 3pm-8pm with several games for all. Mr. Jim Hartman will be the master of ceremonies.

13. October 16, 1989, will be the last quarterly meeting for the church year 1989 for the associational Brotherhood.

Media Library Director's Report

In October I met with six ladies from the Southport Library. Your Director has been working weekly on the Library for the Resource Center and Coastal Study Center.

TACMO meetings were held several times during the year. The January meeting was held at the Resource Center Library with nine workers present and helping with the processing of materials for the Center Library.

Several churches of our Association were represented at the State Library Convention at Caraway Conference Center in April.

Southport Baptist weeded its Media Library collection and gave the duplicate titles to the Resource Center Library.

We are hoping for a better Library year as we approach the 1989-90 church year.

Respectfully submitted,
Margaret Clemmons, TACMO Director

The Expanded Church Annuity Program

Our new "Expanded Church Annuity Program" has "Caught On" in our churches. More and more we are responding to the need to safeguard the present and future needs of our Ministerial Personnel.

One does not like to "Focus In" on the sadness of premature death or disability, but they are a stunning reality when they occur. The Annuity's Program is a Godsend in these times.

We urge all our churches to enroll their Pastors in the minimum program of $1,200 per year in order to take full advantage of the Convention's input.

Yours in Christ,
Rev. Bill Greer
Church Annuity Consultant

Stewardship Director's Report

In June Talmage Williams spoke to the Pastors' Conference and gave out material packets for the Planned Growth in Giving Program. This is a state wide program to increase the financial support for churches as well as Local, State, Associational Missions and the Cooperative Program.

Evangelism Report

Our 1988-89 Associational Evangelism Conference was held at First Baptist Church, Oak Island, on February 27 with over 200 in attendance. Conferences and leaders were as follows: "Planning, Preparing, Promoting Revivals," Horace Jackson; "Developing My Personal Testimony," Vincent Wall; "Sharpening One's Skills in Witnessing," Jim McQuere.

Much of our year has been spent preparing for the 1990 Southern Baptist Convention wide Simultaneous Revivals. The Associational Evangelism Council distributed promotional material concerning the "Here's Hope. Jesus Cares for You" emphasis. The Evangelism Council engaged in a training session led by a state evangelism worker related to the 1990 effort. Plans are to conduct a training session for Church Revival Committees in January 1990, to host a "Here's Hope" prayer supper in early 1990 and to have an association-wide "Here's Hope" Rally in February 1990.

All of our Associational churches are being encouraged to participate in the 1990 "Here's Hope" Revival emphasis. Suggested dates for Eastern North Carolina are March 18-25. As of October 1989, 20 of our Associational Churches have already made commitments to participate in this great evangelistic endeavor as Southern Baptists nationwide have opportunity to share the good news of Jesus Christ with our friends and neighbors in a united effort.

Report of the Christian Life and Public Affairs Director

The task of the Christian life and public affairs is to help Southern Baptists apply Christian moral principles in every area of their lives and engage in activities that will help apply Christian truths to family life, citizenship, race relations, and other areas of moral concern.

We need to emphasize Christian principles in the public areas as well as our private lives. As our county and communities continue to grow more and more, we shall see such unsavory things as pornography, gambling, and drugs if we are not careful in our deliberations.

Even as we meet here today, our county is preparing to vote on whether to open hundreds of additional outlets for the distribution of alcoholic beverages. It seems ridiculous to me that at a time when our President has declared "war on drugs" that our county leaders should decide that we take a vote to see if we would like to distribute more of the most abused and destructive drug in our society. At this particular time, alcoholic beverage is an illegal drug in our county, but this will change if you and I don't do everything we possibly can to encourage every registered voter to go vote "no" to any further legalization of the sale of alcohol.

If you and I are to be responsible Christian citizens then we must be not only concerned, but involved in community affairs that are instrumental in shaping the environment of our county and communities.

If we will become actively involved, then we will be the salt that will help preserve and maintain a clean and healthy climate for our children.

So, let each of us be vigilant and not allow these unsavory things such as gambling, child and adult pornography, and drugs to sneak in unawares. There are safeguards that can be put in place which would help to keep them out, but we must insist on the elected leaders in our county and communities acting responsibly with a sincere interest in the welfare of the people in their jurisdiction.

Let me encourage you to pray for one another as we work together for a moral climate in our area that will be a good example for others to follow and, of course, will glorify our Lord Jesus, the Christ.

I would like to make a motion that the Brunswick Association go on record as being against any law that would permit the further distribution of any alcoholic beverages in our county.

Missions Development Report

In late summer I replaced Dr. Paul Early as Chairman of the Missions Development Committee, Dr. Early having returned to the mission field.

The Association sponsored a summer resort ministry at Brick Landing and Holden Beach.

The Baptist State Convention has made a survey of Brunswick County and the survey shows that we strongly need to start three new churches, and possibly more. We presently have some preliminary activity in two of the areas which we hope will grow into churches, one in the Calabash area and one in the Holden Beach area. Belville is another area needing a church, but no activity has yet taken place there.

Another result of this survey shows us that 58 percent of Lower Brunswick County is unchurched. We hope to have some programs and show how we can reach these unchurched people.

Sunday School Report

This has been an exciting year for our Sunday Schools. There has been an interest in leadership training. Several churches have asked for and have received help with strengthening their schools.

The most far-reaching possibility to be realized this last church year was plans for a Sunday School growth campaign this November. We have almost half of our churches participating. Few associations can boast of this kind of cooperation. We will soon be making a people search in many communities to identify unchurched families. This is a strategy usually used in Sunday School growth campaigns. Some churches will be doing this for the first time.

The Sunday School organization is working with our evangelism committee helping prepare our churches for our "Here's Hope" revivals next spring. The "people search" will aid us in finding unsaved people to be witnessed to before our revivals start.

Several Sunday Schools began their new church year with stronger and better programs because of some hard work and good planning. Keep up the good work.

EXPANDED CHURCH TRAINING PROGRAM

The expanded Church Training program was presented to the churches present for the Key Leadership Conference.

Coastal Baptist Study Center

According to available statistics, approximately 50 percent of the pastors in Southern Baptist Convention churches do not have seminary training. Undoubtedly these pastors have learned many things in the "school of experience." Likely they still have a need, however, for some foundational understandings. In 1951 the Southern Baptist seminaries responded to the need by establishing the Seminary Extension Department. In the belief that every minister should have the opportunity to receive theological training, the seminaries use the Seminary Extension Department as a vehicle for delivering off-campus theological training opportunities - taking ministry education to students where they are.

These educational opporunities are open also to laypersons desiring theological training which is academically oriented and to seminary trained persons desiring some continuing education.

What is Coastal Baptist Study Center?

Coastal Baptist Study Center is a locally sponsored ministry education program affiliated with the Seminary Extension Department.

The word "Center" suggests one or more classes meeting on a continuing basis in a place equipped specifically for classroom teaching. Our center, located in the Brunswick Baptist Associational Resource Center, offers multiple classes as part of an ongoing operation. Coastal has now become a part of the ministry of the Brunswick Baptist Association.

Our first year of operation was a resounding success! During the three quarters of operation we averaged 66 people involved in the total program.

Effective August 1989 the organizational structure of Seminary Extension changed. The department will now grant semester hours rather than course credit. The Governing Board approved a new diploma study plan, effective August 1989. This plan will allow students to complete work toward a 32-hour certificate and a 64-hour diploma which will be awarded by the seminary of choice. All six Southern Baptist seminaries are participating in this advanced program.

A sampling of courses offered follows: Church Administration, New Testament, Evangelism, New Testament Theology, Old Testament Survey, MasterLife, The Pastor as a Person, Romans, and Principles of Preaching.

Our curriculum is geared for the laity as well as pastors.

You are invited to become a part of our effort.

Annuity Board Report

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord." The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply many fold down through the years. Goals set by the Annuity Board trustees for 1989 include:

- Developing a long term care plan suitable to Southern Baptist ministers and their families;
- Working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Plan;
- Providing more choices for ministers seeking to meet the needs for family insurance protection;
- Continuing to work hard to control health care costs;
- Developing materials on financial planning;
- Continuing to make churches and ministers aware of retirement and insurance plans.

Significant progress has occurred in meeting many of these goals.

A new and vastly improved insurance program is being offered under the name ChurchLife. There will be four plans from which to choose. In addition to

other improvements there has been an increase in the amounts of insurance that can be carried out in retirement.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were, at the end of March 1989, 19,972 annuitants who received $20,246,625. There were 472 recipients of Adopt-An-Annuitant grants, totaling $67,775, and 409 monthly relief grants and 180 monthly expense grants, receiving a total of $142,914. The AB assets at the end of March were $2,460,709,118, most of which belongs to Southern Baptist ministers who participate in the retirement plans.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection - both for the church and the minister.

This is what is happening in North Carolina:

- There have been 27 new members enrolled in the retirement plans during the period April 1-June 30.
- There have been 61 plan upgrades during this period.
- There are now 2,162 North Carolina churches and associations contributing to retirement plans.
- North Carolina has 1,892 signed Cooperative Agreements! More than any other state!
- The number of churches participating at the Old Plan A level of $33.34 has decreased from 439 to 92.
- The average annuitant in North Carolina receives $249.96 per month, up from $234 last year.
- North Carolina has 3,406 members making contributions to Annuity Board retirement plans.
- There are 1,764 annuitants receiving benefits each month in North Carolina - $440,929.89 each month!

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still so much to be done! Consider these facts:

- Only 64 percent of our churches are participating in our retirement plans - even after all these years of opportunity.
- Of this 64 percent, many do not actually make contributions. The minister does this on his own.
- Small contributions make the annuitant's benefits small: In North Carolina
  - 184 receive less then $ 50
  - 493 receive less than $100
  - 1,006 receive less than $200
  - 1,287 receive less than $300
- We have 151 churches that have signed the Cooperative Agreement, but still make no contribution.
- We have 457 churches that are making contributions but still have not signed the Cooperative Agreement.

Suffice to say that there is a *great* challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Let's keep up the good work.

Annual Associational Report
Baptist Children's Homes of North Carolina, Inc.

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board

supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

President since 1983

The Biblical Recorder Report

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more--that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to

and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. For more information on rates and special plans for subscribing, contact:

Brotherhood Commission Report

BROTHERHOOD EXPANSION CONTINUES

The Brotherhood Commission continues to feel the effects of its 1987 program changes that produced a comprehensive missions education package aimed at helping churches involve men and boys in missions.

In October 1988 James H. Smith, Brotherhood Commission president, presented a plan of financial austerity following the production of 31 new books in 1987 and 1988. The production costs drained the agency's reserves. Smith set a goal of earning $240,000 over expenses in 1988-1989. At the April trustees' meeting, Smith reported that income was already $177,000 ahead of expenses.

Located in Memphis, Tennessee, the Brotherhood Commission is pioneering several new aspects of missions education. In May the first RA University, an indepth national training event for Royal Ambassador counselors, directors, and committeemen, was held at Rhodes College in Memphis. More than 300 people from across the country attended.

The National Fellowship of Baptist Men, a ministry of the Brotherhood Commission's adult division, continued its expansion of volunteer missions enlistment. In April, NFBM announced the expansion of its concert series, which will endorse up to 200 concert artists to present the story of Southern Baptist missions and recruit volunteers.

The second annual High School Baptist Young Men's Rallies were held in Gatlinburg, Tennessee and Arlington, Texas, with more than 500 attending. High School Baptist Young Men were also represented on the second National Baptist Young Men's Overseas Work Project in Chile during Christmas break. Seven Baptist Young Men from the United States and Canada participated.

Baptist Men served more than 95,000 meals in Mexico following Hurricane Gilbert's destruction. In Jamaica, Baptist Men worked jointly with the Foreign Mission Board to rebuild churches. More than 700 volunteers participated in this nine-month project.

World Missions Conferences were attended by 1.15 million people; 374 volunteered for missions service and 395 made professions of faith. WMCs are administered by the Brotherhood Commission and sponsored by the Home and Foreign Mission Boards, Woman's Missionary Union, and Brotherhood Commission.

Perhaps the greatest effect of the Brotherhood Commission felt by the churches of the Southern Baptist Convention has again been the regular activities of Baptist Men and Royal Ambassadors. Through church and associational

Brotherhoods men and boys have been involved in missions by actually doing missions activities, learning about missions, praying and giving to missions, and developing their own personal ministries. These actions have helped churches maintain integrity as God's people for God's world and have helped believing men grow in relationship to Christ.

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 807! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

The Baptist Foundation Report

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construc-

tion of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation are now approaching $17 million, of which $3.8 million was added in 1988 alone, making this year the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

Respectfully submitted,

Baptist Hospital Report

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the park-

ing deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and AT&T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; and the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

Christian Action League of North Carolina Report

When the 1989 Session of the General Assembly of North Carolina convened on January 11, the first bills to be introduced were three lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last six years. However, the pressure for establishing a state-wide lottery has been

stronger this time around due to two factors: 1. Virginia has started a lottery; and 2. Revenues are very tight, and some legislators were looking for some "easy" money to grant state employees and school teachers a pay raise.

The pro-gambling lobbyists and their favorite legislator, Senator Kenneth Royall (D-Durham) were successful in securing passage of lottery legislation in the Senate.

Senator Royall, one of the most powerful members of the Senate, used his political "clout" to keep the bill in committee until the closing days of the session.

He admitted to the media that he did not want the lottery to get tied in with the budget proposals. After the money bills had passed and the legistature was ready to go home; then, he made his move to put the lottery bill on a "fast track."

No time was left to call for a public hearing to give rank-and-file voters the opportunity for their input.

After the Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Mavretic let it be known that the House would not delay the 1989 adjournment to take up the proposal.

The issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990.

This gives six months to solicit opposition to the measure from the membership of the North Carolina House.

Contact your North Carolina House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

A lot of prayer, time and energy has been exerted in the current legislative session to defeat any gambling legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statutes.

A Legislative Study Committee and the Governor's Highway Safety Committee held hearings throughout the state during the past year to get citizen input on ways to make our highways safer. As a result of these sessions, a Safe Roads Study proposal was introduced that consisted of the following features: 1. lower the breathalyzer threshold from .10 to .08 for drivers of motor vehicles; 2. ban open containers of alcoholic beverages in motor vehicles; 3. increase fines for drunk driving; and 4. establish a .04 standard for operators of commercial vehicles (bus and truck drivers). The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. The bill can be considered in the May 1990 session.

Even with such a busy legislative agenda, the League has assisted in numerous liquor elections across the state.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health. . . because we can't have them together."

Amazingly, the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches of your association.

The Christian Action League is ready to stand with you in the ministry of Applied Christianity as we confront the moral and social evils of today's world.

Constitution

Brunswick Baptist Association

(as adopted 23 October 1987)

PREAMBLE

The messengers from the Missionary Baptist Churches comprising the Brunswick Baptist Association do hereby declare the following to be the Constitution and Bylaws governing the functioning of the Brunswick Baptist Association.

ARTICLE I - NAME

This Association shall be denominational and shall be known as the Brunswick Baptist Association.

ARTICLE II - PURPOSE

The prime purpose of the Association shall be to counsel together for enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service.

The means of accomplishing the purpose of this Association shall be in strict conformity with the New Testament and the guidance of the Holy Spirit.

ARTICLE III - MEMBERSHIP

Section 1. This Association shall be composed of the cooperating churches which have been received into and continued in the fellowship of the Association.

Churches may be received into fellowship only after having been under the watchcare of the Association for one (1) full year. Application for membership shall be made in accordance with the rules and regulations established by the Association. Churches under watchcare of the Association shall make written reports of their progress and cooperative efforts as required by the Association.

Section 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and Bylaws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

(1) Be a church applying from a sister association, coming in good standing, or

(2) A duly constituted church formerly sponsored as a mission for at least one (1) full year by a current member church, or

(3) A mission, under the sponsorship of the Association, that has been constituted as a church, or

(4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

ARTICLE IV - MEETINGS

Section 1. The Associational year shall close on the 30th of September. Letters from the churches shall, as soon thereafter as possible, be transmitted to the Clerk of the Association for consolidation and use at the annual session, which shall convene on Thursday afternoon, Thursday night, and Friday morning and afternoon, after the third Lord's Day in October of each year, except, however, when compelling conditions make it necessary to change this date, in which event the Executive Board shall be empowered with authority to determine the date of the session.

Section 2. Special meetings may be called by the Moderator provided two (2) weeks' notice is given to all affiliated churches.

Section 3. Messengers of the churches to the meetings of the Association shall be composed of the Pastor or Interim Pastor of each of said churches, and three (3) messengers from each church whose membership is 200 or less, and one (1) additional messenger for every 100 members or fraction thereof in excess of 200. Such messengers must be certified by their churches to the Association.

Section 4. Only certified messengers from affiliated churches shall vote on matters before the Association.

ARTICLE V - AUTHORITY

Section 1. The New Testament is the sole authority for the faith and practice of this Association. The doctrinal statement known as the New Hampshire Declaration of Faith, as revised by the Southern Baptist Convention in 1963, reflects in general the doctrinal beliefs of this body.

Section 2. In no instance shall the Association presume to direct or control any member church with reference to its own government or internal policy, but shall be ready and willing at all times to counsel, advise or assist any member church, when so requested.

ARTICLE VI - GENERAL OFFICERS

Section 1. The general officers of the Association shall be Moderator, Vice Moderator, Clerk, Statistician, Treasurer, Parliamentarian, and Chairman of Trustees. These officers shall be known collectively as the Administrative Service Officers.

Section 2. They shall be elected annually by the Association and shall assume their responsibilities at the close of the session at which they are elected and serve throughout the ensuing year.

Section 3. The elective term of the Moderator shall be limited to two (2) consecutive years; provided, however, after a lapse of two (2) years he shall be eligible to again be elected.

Section 4. In the event a vacancy occurs in the office of the Moderator, then the Vice Moderator shall immediately and automatically become the Moderator for the unexpired term of office. In the event a vacancy occurs in any other administrative service officer position, then that office shall be filled by the Executive Board upon a majority vote.

ARTICLE VII - OTHER OFFICERS

The Association may establish, as the need arises, further offices in order to implement those programs needed to perform those tasks consistent with accomplishing the goals and purposes of the Brunswick Baptist Association.

ARTICLE VIII - TRUSTEES

There shall be three (3) Trustees of the Association serving terms of three (3) years each. The Trustees shall be nominated by the Nominating Committee and may succeed themselves. One (1) Trustee shall be elected at the annual session each year.

ARTICLE IX - EXECUTIVE BOARD

Section 1. The Executive Board shall be composed of the General Officers of the Association, the Pastor, or Interim Pastor, of each church in the Association, two (2) members from each of the participating churches (the latter to be elected annually by their respective churches), the Director of Missions, the General Board Member and the Director/Chairman of each ministry/program committee established by the Association.

Section 2. The Executive Board shall act in behalf of the Association between annual sessions and supervise the work of the Association in promoting the programs of the Baptist State Convention and the Southern Baptist Convention.

Section 3. The Executive Board shall meet annually on the Monday night after the second Sunday in January and at least quarterly thereafter each year on nights established by said Board at the annual January meeting.

Section 4. Representatives from twenty-five percent (25%) of the member churches shall constitute a quorum at a meeting of the Executive Board.

Section 5. The elected Moderator, Vice Moderator, Clerk, Treasurer, Statistician, and Parliamentarian shall serve the Executive Board in their respective capacities.

ARTICLE X - STANDING COMMITTEES

The Association may adopt those rules needed to establish committees to accomplish the goals and purposes of the Brunswick Baptist Association.

ARTICLE XI - PERSONNEL

The Association may employ personnel as needed to carry out the programs of the Association. The Association shall select an Associational Director of Missions for an indefinite term. Duties of the Director of Missions shall include supervision of the day-to-day operation of Associational programs and other duties assigned by the Association. Selection of the Associational Director of Missions shall be made by the Executive Board.

ARTICLE XII - FINANCIAL LIMITATIONS

No program shall be inaugurated which might involve the Association directly or indirectly in a debt, without securing prior approval of the Association. Likewise, no solicitation of funds for any program or ministries shall be made to member churches or auxiliaries of any member churches by any

department or committee or auxiliaries of any department or committee of the Association without prior approval of the Association.

ARTICLE XIII - AMENDMENTS

This Constitution and its Bylaws may be altered or changed only at Annual Session when a Quorum of churches is represented by messengers and then only by a two-thirds (2/3) majority of the messengers voting. Provided that notice shall have been given with the reading of the proposed change(s) the previous day that such motion will be presented. Messengers from fifty percent (50%) of the churches shall constitute a quorum.

ARTICLE XIV - PARLIAMENTARY RULES

The rules of this body shall follow *Robert's Rules of Order,* Revised.

(This Constitution was unanimously adopted by the Brunswick Baptist Association on 23 October 1987.)

A Short History of Ocean View Baptist Church

Ocean View Baptist Church was founded in 1948 by Mr. H.I. Somersett and Rev. T.F. Johnson. There were services held in a little house at Somersett Landing until the original building was built in 1949. The land was donated by Mr. Seymore Ray. Many people donated materials and time to build the first building which still stands.

Through the years the Lord blessed and the church grew. There was a need to remodel and expand, so in 1974 the old white structure was bricked, classrooms, rest rooms, and a small fellowship hall were added on.

In 1977, while J.D. Hewett was Pastor, there was another need to expand. The present sanctuary was built, giving more classroom space in the old building. Through prayer and much work, and God blessing Ocean View, the church has continued to grow. Ocean View is proud to give God the glory for all that has been accomplished. By His leadership, Ocean View went full time in October 1982, and called as its first full-time Pastor, Macon W. Wood. Pastor Wood and his family moved on the church field January 31, 1983.

Since Ocean View went full time in 1982 there have been many changes made to accommodate the growth of the area. Three new lots have been purchased, the sanctuary has been enlarged to seat 350 people, new furniture and carpet purchased, new piano, new organ, the old sanctuary and educational building renovated, a new 6,000 square foot educational building added a home for the Pastor, and the parking lots paved.

Ocean View has now a Minister of Education, Minister of Music, Minister of Outreach, and also a Church secretary. During the 80s, three men accepted the call to preach, all three licensed, two ordained. The men were David Wood, Frankie Lewis, and Paul Shaffer.

God has given great growth with many souls being saved, many unchurched people getting churched, and the saints growing in the Lord. Ocean View looks to the future 90s with bright and great expectations.

Shallotte First Baptist History

SHALLOTTE FIRST BAPTIST is located in the town of Shallotte, North Carolina on Main Street N. US 17. The church was constituted in 1837, and was first named Chapel Hill Baptist Church. The named was changed to Shallotte First Baptist Church in 1954. Rev. Frank Johnson was the pastor at that time.

Records in Raleigh show that Shallotte First Baptist Church was a member of the Waccamaw Baptist Association as early as 1881. Records also show that Shallotte First Baptist helped to organize the Brunswick Baptist Association and was a member of said association from 1886-1894. Due to associational changes, the county divided, and the church became a member of Cape Fear-Columbus Association in 1895, but was received back into the Brunswick Association in 1900.

The first church building was a frame structure, one mile east of the present site. The second church building was built on the present site in 1886. It was destroyed by fire in 1931. All of the church personal records were destroyed in the fire; however, the Christian zeal of the church survived. Services were held in a barn belonging to Mr. Oscar Gray. Construction was begun on a third building at once.

This building was a frame structure with brick foundation, six classrooms and closed off space in the sanctuary for four additional classrooms. This building was dedicated in April 1932.

The present building, a brick structure, has 10 classrooms, is modern and air conditioned. Spaces are available in the fellowship hall for more classrooms. It was dedicated in 1965. We have constructed an additional recreation-fellowship hall with five classrooms.

The church has reported a Sunday School to the Baptist State Board since 190? but had a Sunday School all the years prior to that time.

Records in Raleigh show that church membership in 1897 was 73, in 1907 it was 69. In 1917 it was 112. In 1938 it was 118. In 1972 it was 242. In 1976 it was 188. At the present time it exceeds 250.

The first resident clergyman was the Rev. A.W. Nobles, who served as pastor from 1838 to 1848.

The parsonage was built in 1958. It was partially destroyed by fire in 1966, but was rebuilt the same year. It has been remodeled and renovated during the years of 1988-89.

Baptist organizations in the church are WMU, Baptist Women, Brotherhood, Baptist Young Women, Acteens, GAs, Mission Friends, Youth Group, Royal Ambassadors, Crusaders. There is also an Adult Choir, Youth Choir, Junior Choir and Sunshine Choir.

A library was begun in 1975 under the auspices of Ouida H. Hewett.

During the years of 1983-87, we had Rev. Eddie Booth as pastor. The church renovated the sanctuary, the fellowship hall, classrooms and added bathrooms. The church choir participated in the Associational Cantata under the direction of Isiah Mechad. One hundred twenty-three plus were saved, baptized and became Christians during this era.

The present pastor is Rev. Landis Lancaster. Under his leadership in 1976, we celebrated the Bicentennial year of our nation with an "Old Fashioned" service and dinner on the grounds, including an old fashioned "Chicken Bog."

We are humbly grateful for the consecrated Christians of our church, both past and present. If only we had the space to call all of them by name, but this is not permissable. We are happy to call to your attention that Shallotte First Baptist, which is 153 years old, is in the service of our Lord. Let us humbly pray that she will serve the Lord and grow in God's grace until the final day of the coming of our Lord. Pray for us.

Report of Director of Missions

CHRISTIANITY

Psalm 133:1 says, "Behold, how good and how pleasant it is for brethren to dwell together in unity! It is like the precious ointment upon the head, that ran down the beard, even Aaron's beard: that went down to the skirts of his garments. . ."

Ben Franklin said to John Hancock at the signing of the Declaration of Independence, July 4, 1776, "We must all hang together or assuredly we shall all hang separately."

Dr. John A. Broadus used to tell of a visit he once made to the grave of Daniel Webster in company with an old countryman, who had been a great neighbor and ardent admirer of the distinguished statesman. The two stood looking upon the sleeping place of the dead; the silence was broken by the countryman, who, with moisture in his eye and a tremor in his voice, said, "But couldn't he put words together."

Some define philosophy as "the art of thinking things together." How good and pleasant it is for the brethren of the Brunswick Association to dwell in unity. We must all hang together or we shall assuredly hang separately. To master the art of thinking things together is our most precious asset.

As a General Board Member of the Baptist State Convention of North Carolina in the early Fifties I faced, along with the other Board members, a serious convention problem. Some Board members lost their tempers. During the highly heated debate, Dr. Robert Kicklighter, pastor of Blackwell Memorial Baptist Church of Elizabeth City at the time, said: "A successful man is one who keeps his head while others around him lose theirs in the battle."

If this describes success, the Brunswick Baptist Association is successful. We have experienced the spirit of unity across the past four years as many associations have become divided. I am proud and honored to be Director of Missions of this united body of Christ. The Holy Spirit does not move in two different directions at the same time. Jesus said it well, "A house divided against itself cannot stand."

As we come for this Annual Session my prayer is that the Holy Spirit will lead each Representative, Lay Person, and Speaker to refrain from touching matters, issues and problems that may cause division among the brethren. Our Association has thus far been greatly blessed that it has escaped the conflict that has plagued others. Unity has been and remains our most important asset. Let us pray that we can and will continue to worship in that same spirit of unity and love.

"Behold, how good and how pleasant it is for brethren to dwell in unity."

HIGHLIGHT EVENTS

OCTOBER 1989: Our joint Musical with the Burnt Swamp Baptist Association at the North Carolina Baptist Assembly on October 21 was outstanding. The fellowship, the meal together, and the music were great experiences and spiritually uplifting.

Our first Deacon Workshop on October 30-31 had excellent attendance and was deeply appreciated by the deacons in attendance.

NOVEMBER 1989: The Sunday School Enlargement Campaign led by Dr. Eugene Skelton served to increase Sunday School enrollment and attendance in the participating churches. The morning fellowship and preparation during the campaign was exciting.

The Disciple Training "M" Night of November 27 was one of our very best. Dr. Eugene Skelton's message was both inspiring and encouraging to us all.

DECEMBER 1989: On December 4 a special prayer service for pastors was called by the Director of Missions at which time we discussed the work of the association and asked the Holy Spirit to guide us in all our activities.

The Pastors and Wives Christmas Party at the Sandfiddler Restaurant in Southport was a wonderful time of fellowship. The Christmas gift to the Director of Missions by the pastors will be remembered by him always.

The Fall Semester of Coastal Baptist Study Center closed December 19. Snow and ice prevented the planned Christmas Party of Coastal, but the meal was served during the following Winter Session. Excellent student enrollment characterized this session as one of our best.

JANUARY 1990: The "Here's Hope" Training Conference and Prayer Supper in January were great blessings to churches in their preparation for the "Here's Hope" Revivals.

FEBRUARY 1990: The Associational "Here's Hope" Rally at Southport Baptist Church was a highlight of our preparation for the "Here's Hope" Revivals.

MARCH 1990: The WMU Banquet held at Shallotte First Baptist was most exciting. The Rev. Jesse Bentley moved our souls with his message. Brother Jesse received from WMU a much deserved citation.

The Baptist Men/RA Workshop had very good attendance. The Reverend Jack Hancox, the speaker, brought a wonderful message on missions.

The "Here's Hope" Fellowship held at the Resource Center on Wednesday morning, March 21, helped prepare our hearts for revival.

APRIL 1990: The Simultaneous Revivals of March 18-April 29 resulted in many baptisms in the participating churches. Most of our churches had revival services during the period.

The VBS Clinics, held morning and night at the Boiling Springs Lakes Baptist Church, had good attendance and the conference leaders did a great job in helping us get ready for VBS in the local churches.

Ten children passed all requirements for state participation at Sunset Harbor on April 27 in the Disciple Training Bible Drill. Nine became State Winners.

MAY 1990: With two exceptions all our Mission Performance Group Leaders attended the State Key Leadership Conference at the North Carolina Baptist Assembly.

The Brunswick Baptist Association Key Leadership Conference of May 21 had leaders most profecient to lead the conferences and they did a great job for us. Our attendance was so good that many of the conference rooms overflowed with people.

JUNE 1990: One of our best Resort Ministries programs started in June under the leadership of the Rev. Jack Hancox. Early morning preaching stations were held at three places: one at Sea Mist Camp Ground at Brick Landing, led by the people of Jennie's Branch Church; one at Middleton Park on Oak Island, led by the Oak Island Baptist Church; and a third at Tanglewood led by the Rev. Jack Hancox and Rev. Hayden Cartner. Sixteen pastors served as "Pastors on Call" to assist visitors in Brunswick County having need for chaplaincy services.

JULY 1990: Brother Eddie Hicks did a great job in putting together a choir from our Association churches to render special music in Southport's Franklin Park during the North Carolina Fourth of July Celebration.

AUGUST 1990: The Rev. Mr. Talmadge Williams of the Baptist State Convention Stewardship Department led the pastors and representatives from our churches in a "Witness/Giving Life" Seminar on August 13 at the Resource Center. His presentation was most helpful and very timely as our churches were beginning plans for their next year's church budget.

SEPTEMBER 1990: The Associational Sunday School Leadership Training under the guidance of Brother Jim Hartman was extremely well attended with several conference rooms overflowing with leaders.

The first Deacon Workshop of the association had 12 pastors and 39 deacons for a total of 51 in attendance. The Workshop proved to be one of our very best attempts to help our churches with their needs. The Deacon Orientation that followed the Workshop in October was excellent. Both pastors and lay persons have asked us to continue having this type opportunities for deacons.

The Annual Associational WMU Meeting at Jennie's Branch on September 20 was most inspiring to all of us in attendance.

As you read this report, I am confident you will agree with me that this has been a great year.

Marvin W. Chapman, Director of Missions
Brunswick Baptist Association

Clerk's Report to Annual Session

Thank you for agreeing to hear my report. There are several things revealed by the Uniform Church Letters that I thought you would like to hear. Also, there are several things for which I need your help.

Forty of 42 churches have now reported to me! I have not yet heard from Calabash and Bolivia, but I hope to do so. From the reporting churches I found these interesting statistics:

Total baptisms for the year 280; for last year 187; an increase of 93.
All other additions 371 against - 366 for the previous year, an increase of five.
Ten churches reported no baptisms.
Four churches reported no other additions.

Forty churches reported a total membership of 8,641, an increase of 290 over last year.

Lately there has been much confusion over the cost per copy of the printed minutes. In its October meeting the Executive Board authorized the Associational Clerk from now on to base the cost per copy to the churches on the actual cost per copy from the printer. This year the cost will be $3.00 per copy to the churches. In future years the Clerk will notify the churches of the per copy cost at the time the blank UCLs are distributed. Of course, the cost will vary from year to year, allowing for inflation and the number of pages to be printed.

Because of the confusion mentioned, many copies of the 1985-86 combination Annual and the 1989 Annual are still at the Resource Center. The Associational Secretary brought some with her today. You may pick them up before you leave.

So far, only 22 churches have requested copies of the 1990 Annual. Even fewer have sent money because they did not kow an amount to send. Others sent money based on a one-time action of the Board, that of three free copies to each church and all over that to be $5.00 each. That action was to have been for 1988 only. You can see why some decisive action had to be taken.

Please see me today or tomorrow and tell me how many to order for your church. The printer's figures to me are based on the number of copies ordered and the number of pages printed. The more copies we order the lower the price per copy. We must not waste money and natural resources on Minutes that will not be claimed once they are printed.

We would like to request to be accepted and placed under the watch care of the Brunswick Baptist Association and the State Baptist Convention until such time as we become a functioning Southern Baptist Church.

Our goals are to establish a church for all peoples both permanent and those that are living here part-time to serve the spiritual needs of our community.

Sincerely in Christ,

He also presented the church's application for Church Growth Assistance from the State Convention and asked that it be approved. Motion was made, seconded and duly carried that the application be approved.

Mrs. Margaret Clemmons, Media Library Director, gave her report and emphasized the need for churches in this Association to have their records microfilmed for safety and availability by the NC Historical Collection at Wake Forest University. She stated that there is no charge to the churches for the microfilming.

Motion was made, seconded, voted upon and carried that the balance in the account for printing the 1985 and 1986 Minutes be transferred to the General Fund.

The Clerk made her report (attached). She asked for some action by the body that would clarify the amount the Clerk shall quote each year as to cost per copy of the printed minutes. Motion was made, seconded, voted upon and carried that the Clerk shall be allowed to determine the price per copy of the Minutes based upon estimates received from the printer each year. The Clerk shall then quote the price to the churches at the time the Uniform Church Letters are delivered.

The Director of Missions filed his written report with the Clerk and then spoke to it.

Special announcement was made by the Moderator about the Annual Meeting on October 25 and 26, and stated that Dr. Bill Bennett, a native of Brunswick County, now pastor of a large church in Houston, TX, will preach on both days. Following the announcement a video tape by Dr. Bennett's staff and a cassette message by Dr. Bennett were presented.

The meeting was then adjourned. Refreshments were served by the ladies of the church.

Clerk's Report to Executive Board

October 15, 1990

I appreciate our Media Library Director's bringing to our attention the matter of having church records microfilmed by the North Carolina Baptist Historical Collection at Wake Forest University, with no cost to the churches. This is a wonderful way to insure the protection of our Brunswick Baptist heritage.

I am pleased to report that New Life Church furnished me with an up-to-date copy of their history. Shallotte First and Ocean View sent me short versions of their histories to use in the Minutes for the 1990 session. I like to continue our tradition of spotlighting the host churches. This is an opportunity for me to urge you to get your church history updated and when you do, please send me a copy for the Association's permanent files.

I am excited to report that I have now received 33 of the Uniform Church Letters. This is remarkable. I appreciate the Pastors, Clerks and Treasurers that have made such possible. It will make my task easier and raises my hopes that we will get the printed minutes earlier than we have in many years. It also means there will be 33 churches on the Clerk's "Early Bird" Honor Roll, instead of the 17 on it last year!

Because of the confusion as to cost etc., 15 churches have not yet picked up their copies of the 1989 Minutes from the Resource Center. It is a waste of money and natural resources for the books to just sit on the shelves. I believe we are smart enough to keep this from happening again. If we take the appropriate action now and make it clear to the churches, then I will have a much better idea of how many copies to order from the printers. Since I have been Clerk, I have based the order to the printers on the number requested by the churches, plus the number requested by the various Baptist agencies.

So now I need your help. In the past we have waited too long to let the churches know the cost of the minutes. Therefore, some churches do not order minutes and others send in the wrong amount. A few years ago, you will recall, the Executive Board took an action that would give each church three copies of the minutes and each extra copy was to cost $5.00. That was to have covered just the year the action was taken, but we continued to follow it. The Minutes for 1989 cost slightly less than $3.00 per copy. Therefore, to those who asked this year, I took the privilege of quoting a figure of $3.00 per copy. We are not in the money making business. We simply want to get the needed information to the member churches. Several weeks ago I got a bid from the printer who quoted the same

price for the 1990 Annuals as for the 1989 Annuals. Can you take some action tonight that will take care of the situation on a permanent basis? I would like for the minutes to show that from now on the Clerk will be allowed to quote to the churches a cost per copy at the time the Clerk delivers the Uniform Church Letter blanks. based on the quotation from the printer for that year.

Report of Resolutions Committee

We wish to express our appreciation to the people of Ocean View Baptist Church and First Baptist Church of Shallotte for their gracious hospitality and the warm reception they have given us at this annual meeting of the Brunswick Baptist Association.

We resolve to pray for peace and harmony to be a reality in our association, our state convention and the Southern Baptist Convention.

We further resolve to reach out in Christian love and fellowship to those in our area who are in need of a Saviour and a church home.

We express our gratitude to God for the opportunities and blessings that have been ours in this past associational year.

Respectfully submitted,
Myrtle Watson, Chairman
Carol Potter

Pastoral Ministries Report

As your Director I attended the Key Leadership Conference at Caswell May 7-8 in preparation for this position. On May 21 we had a Key Leadership Conference in the Association, at which time we discussed some of the needs in this area. We formed a committee later to look into the needs of some of our Pastors. We held a Deacon Workshop on September 14 with 40 to 50 Pastors and Deacons present. Since I had to be out of town at that time Brother Chapman led in this Workshop and had a great meeting. We also had a Deacon Orientation meeting on October 12 at which time we were in Revival, so I did not get to attend this meeting. We thank the Lord for Brother Chapman and his good work filling in for us.

Respectfully submitted,
B.G. McMahan, Director

Recreation Report

We were well pleased with the Associational Picnic. From tossing eggs and horseshoes, to tugging and racing, a good time was had by all.

Our plans for next year include softball, tennis and basketball. We welcome all suggestions to facilitate these programs, and we invite everyone to participate.

Our special "dream" is that one day before many years have passed is that we have a centralized recreational facility at or near our Resource Center.

May the Lord bless our efforts as we work together for His Kingdom.

In Christ,
William Greer, Recreational Director

WMU Annual Report

WMU work has progressed slowly during this associational year. Thirty-one of our churches have some type of age-level organization. For this we are thankful. There are 31 Baptist Women organizations, nine Baptist Young Women organizations, 14 Acteens organizations, 23 GA organizations, and 18 Mission Friends organizations.

In November the churches joined with the State WMU and contributed to the Christmas boxes for the Women's Correctional Center in Raleigh, sending some 750 to 1,000 pens for the boxes.

Foreign and Home Mission Study Books were taught in or in a joint study for 27 churches. Weeks of Prayer were observed.

Your associational WMU council donated to help send a mission volunteer to help build a church in Africa, and we have shared in the work done there for Christ as he shared slides of the work and things accomplished.

Our pastor-staff, church leader, WMU banquet was attended by over 100 persons as we worshipped and broke bread together; honoring some who have been instrumental in furthering the cause of missions.

In May we again shared in the Ministry to the International Students at Caswell. The notes of thanks and looks in their eyes as they realized we cared was a blessing received.

GA Camp at Caswell in July was attended by some 99 girls. What a witness! They participated in the Christmas in August for the camp missionary. GAs are our WMU ladies of the future. Laura Sillings, our GA leader, is doing a good job of paving the road to missions with GAs.

For the first time, this year we had a migrant ministry, I wish each of you could have seen the look on Miguel's face as he received his "Jesus Book" (Spanish Bible). How excited he was as he brought his friends back to get a "Jesus Book" and a health kit. the churches responded real well to this project. Thank each of you who participated.

In September we held our annual WMU meeting at Jennie's Branch, a representative from the Hope Harbor Home and a shower for Hope Harbor highlighted the afternoon session. Mrs. Lena Early, retired missionary, made missions come alive for us as she told of her experiences on the mission field. Jennie's Branch won the attendance award. We left challenged to do more for missions.

We look back, and it was good, but we cannot rest on our laurel. We must go forward - Empowered for missions in BCUSA.

In His Service,
Jackie Smith, WMU Director

Baptist Women Report 1989-90

Susan S. Carson, Director

Baptist Women have kept busy both in the local churches and on an Associational level during the past year.

Several of us attended the Associational Picnic. Two of us turned out to be "stars of the show" in the three-legged race and the egg toss. And two of us came away with a gold certificate for coming in last! I have the certificate to prove it!

Most of the Baptist Women organizations observed the two weeks of prayer and held the studies for the Home and Foreign Missions series. I had the privilege of teaching the Foreign Mission book at Gospel Center and was able to visit Town Creek during the Foreign Missions week of prayer on the night when Mrs. Doris Hancox, retired missionary, was guest speaker.

Our Baptist Women organizations helped in many ways in their local churches during the "Here's Hope" Revivals and many attended the Rally.

I was able to attend all of the Associational Council meetings and also the wonderful Annual State WMU Meeting held at Ridgecrest.

It was a joy to me that so many of our women took part in securing gifts for the Children's Homes, the Women's Prison Ministry, and the Migrant Ministry here in our own Association, led by Mrs. Gayla Varnam, Mission Action Director. I enjoyed being a part of the group which gathered at Gospel Center to assemble the health kits for distribution to the migrants.

Attendance at the Extra Training Session in February was not high, but the teaching of the three books was excellent and as a result several study course awards were earned.

The Baptist Women at Southport held an Enlistment Tea in April, resulting in the recruitment of several new members. I have not heard individually from any of the other churches.

For the new church year, I urge each Baptist Woman to be faithful to the five tasks outlined in the Baptist Women Manual. I also ask you to put me on your prayer list and pray that I will be able to do a better job in 1990-91 than I have done the past year. I pray for you especially on Tuesdays. Will you pray for me on that day, also?

Historian's Report

In Brunswick County there are in excess of 244 churches. Of these, 42 are in Brunswick Baptist Association. The unpublished histories of these churches reveal that the people had a mind to work. We can never really know the hurt, sorrow and pain that went into the making of the Brunswick Baptist Association.

There have been many revivals, youth retreats, baptisms of new converts, and there is always the unseen worker, looking for no praise, but doing the work quietly, fully and ready for God to have the glory.

Some of the churches have advanced from one-room meeting houses to great sanctuaries for worship. The Sunday Schools have grown in number and in teaching methods. We now have both full time and bi-vocational pastors, as has always been true in this Association.

Currently the history of the Brunswick Baptist Association is being typed and we hope it will be ready for sale by the time of our next Annual Meeting, or perhaps before.

For 1990 many churches reported participation in the "Here's Hope Revivals," Discipleship Training, Vacation Bible Schools and youth activities. Several churches engaged in renovations and additions to existing buildings. Beach Road Baptist constructed a new building with the help of Baptist Men from many areas of North Carolina.

Calvary sponsored Ced Brogden on a missions trip to Poland to help on a Baptist Men's project there. Mrs. Gayla Varnam again went to Brazil on a missions trip.

The Rev. Jesse Bentley retired after 25 years as Pastor at Jennie's Branch and the church called the Rev. Herman Absher. Gospel Center called the Rev. Fitzhugh Fennell, Jr. as pastor. New Life called the Rev. Mark Brown. Prospect called the Rev. Marvin Musselwhite to their pulpit.

Antioch became the sponsor of Holden Beach Baptist Mission, with the Rev. Jack D. Hancox as pastor of the mission. One of our newer churches, Bonaparte, Hilton Willetts, pastor, reported much progress during the year. Southport purchased an additional building and called an Associate Pastor, Jeff Johnson.

Many of our churches failed to report any historical events, but we believe that all of the churches did much that contributed to the history of our Association for the year.

William F. Deitz, Historian

Media Library Report

October 1989 - September 1990

October 1989 meeting was cancelled - Mrs. Peggy Owens of Calvary was to give the program. No one except Mrs. Owens and Media Library Director showed up for meeting held at Resource Center.

January 16 meeting held at the home of Margaret Clemmons. Peggy Owens from Calvary had copies of her report on promotion and gave these out to the two ladies from Jennie's Branch, Mrs. Shook and Mrs. Andrews and also to director. She went into detail on how to design posters, etc. Talked about State Library Convention. Refreshments were served.

State Library Convention, 20-21 of April - Mrs. D. Shook, Mrs. E. Andrews and Margaret Clemmons attended.

Director was very pleased with the Key Leadership held at Southport. Had a number of new librarians attend, three from Oak Island, two from Bethel, Faith and Southport also represented.

Your associational librarian has been working at home to catalog and process more of the materials for the associational library.

September 21 TACMO meeting again held at the home of Margaret Clemmons. Two assistants from Faith attended, Mrs. Ada Sizemore and Mrs. Rosa Allen. Bethel also had two representatives, Mrs. Price and Mrs. Rogers.

The year ended with not much participation by the churches who say they have libraries. We do hope 1990-1991 year is better.

Respectfully submitted,
Margaret Clemmons

Evangelism Report

"Here's Hope. Jesus Cares For You" was the theme of our 1990 Simultaneous Revivals and the major Evangelism focus of our Association in 1990. Thirty-one of our Churches participated in this tremendous emphasis. The "Here's Hope" emphasis included not only week long revival services in our Churches but many preparatory events as well. A Church Revival Committee Workshop was held in January. A Here's Hope Prayer Supper was held at Antioch Church January 26 as over 200 people gathered to prayerfully prepare for the upcoming revivals. In February, our "Here's Hope" Associational Rally was held at Southport Church.

Extensive associational publicty for the "Here's Hope" Revival promoted the revival in Brunswick County. This publicity included newspaper and billboard advertising. Excellent reports have been received from the Churches concerning the Church "Here's Hope" revivals.

A Witnessing Giving Life Seminar was held in August which introduced our Pastors and Churches to this emphasis which will take place over the next five years.

This has been a good year in evangelism for Brunswick Baptists.

Wayne Trexler, Evangelism Director

Church Missions Development Program

If you can't judge a book by it's cover, you surely can't judge a program by its' name. What in the world is "Church Missions Development Program?" After attending two Key Leadership conferences I discovered that Church Missions Development Program is nothing other than what we formerly called "Church Missions Committees!" Now that we have identified it, what does the CMDP actually do? This report is an attempt to define the place of a Church Missions Development Program in the lite of your church.

First, let me invite you to study the materials I have made available for each church. In these materials the concept of Missions Development is clearly defined in detail. In brief, the Church Missions Development Program attempts to motivate the local church to accept and to execute its mission to make God known through faith in Jesus Christ. Another way to say it - Missions Development attempts through the local church to get "the whole gospel to the whole man in the Whole world."

An effective Missions Development Program in your church would accomplish at least four important tasks.

Define Biblically the total mission needs of your area
Determine the appropriate response to meet those needs
Discover the available resources needed for response
Design the response as a total church involvement

The material presented in the packets will describe the tasks and operational methods of a CMDP. Other suggestions are included that deal with qualifications of leaders, organizational principles, and examples of what some North Carolina churches are doing.

One final note needs to be sounded. When we use the word "missions" we are not referring *exclusively* to a "baby" church planted with the intention to achieve adulthood as a church. Missions include ministries to special people such as the speech impaired, migrants, abused women and children, the tourist, etc. Any organized reaching out in love and compassion to the harassed and helpless in Jesus' name is missions (Matt. 9:35-36) in full spirit of the Gospel. I have never personally pastored a church that did not have at least one mission. Pray that the Missions Development concept will enable our churches to new levels of missions involvement among the lost, bewildered, unchurched, abandoned, homeless, poor, abused (physically and chemically) and the hungry among us. Pray that our churches might exhibit the compassion of Christ in positive ways to reach the nearly 35,000 unchurched people in our county. Perhaps the following information may help us see our challenge in a clear light.

Population of Brunswick County	1970	24,223
Today	1990	50,000 +
Number of Brunswick Baptist Churches	1968	36 + 1 mission
Today	1990	42 + 1 mission
Number of Members in our Churches	1968	3,800
Today	1989	6,574 (resident)

Our mission field begins right here. My prayer is for our churches to rediscover the Biblical truth that the church (your church) is a resurrection community, and we are charged by God to invite ALL to participate with us in the "surprise" of a God who is for us, one of us. A Missions Development commitment in your church can greatly advance the Good News beginning in our county and going on to take in the whole world.

Sunday School Report

The Brunswick Baptist Association ASSISTeam has achieved a Standard Rating for four consecutive years, one of the few associations to accomplish this goal. We are very proud of the ASSISTeam for their leadership in this accomplishment.

The past year the ASSISTeam attended a training workshop in the Spring and helped to promote several training conferences.

1. A Final Four Rally at Town Creek with 52 present.
2. Sunday School Leadership Night at Calvary with 98 present.
3. Several ASSIST meetings in individual churches. We hope to be used more in this capacity during the 1990-91 church year.

The objective of the Sunday School ASSISTeam is to work individually with churches as well associational-wide conferences by helping establish, plan, conduct, enlarge and improve the Sunday School program of each church in the Brunswick Association.

Our Team is qualified, well-trained and willing. We challenge you to let us help you help your Sunday School.

Discipleship Training

The purpose of the Discipling Program remains the same, to equip believers, even though two changes have taken place this year. They are:

1. NAME CHANGE
   Discipleship Training, rather than Church Training, is the appropriate name for the work to which God has called Christians.
2. RECORD SYSTEM CHANGE
   The record system has changed from enrollment to enrollment/participation.

The Associational Discipleship Training Team has been composed of the following people:

Director . . . . . Rebecca Chapman
Adult Leader . . . . . Mae Parsons

Youth Leader ..... John Sellars
Children's Leader ..... Lib Sellers
Preschool Leader ..... Karen Ponder

"M" NIGHT

Dr. Gene Skelton was the "M" Night speaker. There were 23 churches represented with 275 in attendance.

CHILDREN'S BIBLE DRILL

Seven children from the Southport Baptist Church were declared State winners in the Children's Bible Drill. They are:

Jason Bakan
Bianca Dishman
Alan Essey
Kendall Jones
April Price
Jason Shew

Associational Music Report

Music is such a vital part of each churches ministry and worship. Our Associational music ministry has sought to enhance and increase the role of church music in the life of the church through training, fellowship, and singing experiences during the 1989-90 church year.

A Training Clinic and an overview of music for the Here's Hope simultaneous revivals was held. An Associational Choir was formed to sing at the Here's Hope Associational Crusade with over seven churches participating. Our Associational choir was invited to sing at the Opening Day Ceremonies of the 4th of July Festival in Southport with nine churches represented. The music study course, *What To Do In Case of A Choir Rehearsal* was offered. Our first ever associational PraiSing was held with a strong attendance and six churches provided choirs or special music.

Ouida H. Hewett

Through FAITH and PRAYER, our year has been successful. We had a men's softball team in the Western District that was enjoyed by many folks. We have a lady's team that is practicing now for games coming up.

We had a Senior Singspiration at Shallotte First Baptist that everyone enjoyed to the utmost.

Several churches participated in the Sweetheart Banquets throughout the Association.

We had several field trips with churches, the most popular being The Dixie Jubilee.

The Association Senior Rally at Supply Church was enjoyed by those that attended. Grandma Poppy gave the inspiring stories of her books and shared with us the inspirations that caused her to write the books. Several were purchased for personal use and church libraries.

Senior Adult Day was recognized in numerous churches with singing, senior recognition, Singspirations, etc. throughout the Association.

We had Rev. and Mrs. Jack Hancox, Foreign Missionaries, to speak to the congregation at Shallotte First Baptist and several projects have come from this one evening of sharing his experiences. "Give thanks unto the Lord, for He is good." Psalm 136:1.

Pray that our ministry will reach ALL our churches in the Association. We are ready! "What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them." (Mark 11:24)

1990 Report of Baptist Children's Homes of North Carolina, Inc.

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first statewide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

The Biblical Recorder Associational Report 1990

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Baptist Retirement Homes of North Carolina, Inc.

1990: Providing the Best of Times to N.C. Older Adults

Making life for Older Adults the Best of Times is the continuing goal of Baptist Retirement Homes of North Carolina Inc., which operates four residential facilities for Older Adults around the state — in Albemarle, Asheville, Hamilton and Winston-Salem.

In Hamilton, Baptist Retirement Homes has provided assisted living in a residential setting for Older Adults since 1962. Getting the word out about the quality of care provided by the home is the purpose of a committee that has been formed to help promote the Hamilton Baptist Home around the region. Its ministry is greatly enhanced by the strong support of the surrounding community and its churches. The Brotherhood, WMU and senior adult clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs — whatever they see are needed by the home.

The other homes around the state have equally promising years ahead.

The Board of Trustees of Baptist Retirement Homes applied in July for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plans will be the next step toward adding a 60-bed healthcare unit to the Western North Carolina Baptist Home. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes.

In Winston-Salem, Brookridge celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care — independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit — to 350 Older Adults.

The Albemarle Baptist Home also provides assisted living to 30 Older Adults. It also offers respite care for those families who are responsible for an Older Adult and need some time away from that responsibility. It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

Please pray for our ministry.

Christian Action League of North Carolina, Inc.
1990 Annual Report

The last 12 months have been eventful ones in the Ministry of Applied Christianity.

LEGISLATIVE ISSUES

1. GAMBLING

   All three lottery bills died in committee because the pro-gambling forces just didn't have the votes. The gambling industry launched a major campaign this year because the state was facing a $500 million budget short-fall. They employed the most effective lobbyists that can be found in North Carolina. The

State Government Employees Association made the lottery its number one legislative objective. Yet, all of this wasn't enough because the Christian community spoke up.

2. DRUNK DRIVING

Proposals from Governor Jim Martin and a Legislative Study Committee that really would have toughened our drunk driving laws did not materialize. Some well-known defense attorneys made "sham" compromise offers in the House-Senate Conference Committee, but the House conferees rejected the offer. In many ways, the Senate compromise would have weakened even our current laws.

3. ABORTION

a. Because of the outstanding work of Representative "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from $400,000 to $100,000. These remaining funds could not be used for abortion as a means of birth control. They could only be utilized for abortion when the mother's life is endangered, or in cases that result from rape or incest. However, the Senate voted to leave the funding at its current rate.

b. A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor but the bill died in the Senate (such consent is required before a school official can give an aspiring to a student, but such consent is not required for a minor to receive an abortion.)

4. OBSCENITY

The Senate did approve Representative "Skip" Stam's House bill to make the possession of child pornography a felon.

The U.S. Supreme Court, in upholding a Ohio law, stated that the purpose of such legislation is to protect the victims of child pornography and that the State of Ohio passed it "in hopes of destroying a market for the exploitative use of children."

We applaud that work of Representative Stam of Wake County (a Deacon in the Apex Baptist Church) in his tireless efforts on this legislation. Children deserve the most stringent safeguards our laws can possibly provide.

5. MISCELLANEOUS

Other legislative proposals such as raising the tax on alcoholic beverages and requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem were side tracked by the Senate. Incidentally, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

CHURCH AND COMMUNITY ASSISTANCE

In the past year, the League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Morganton, Archdale, Waynesville, etc., in their efforts to defeat various referenda such as liquor-by-the-drink and beer-wine sales.

We have sought to keep the Christian community informed on moral and ethical issues through our publication, *Tomorrow,* and through speaking in churches, pastors' conferences, and civic clubs.

Thank you for your prayers and financial support in our Ministry of Applied Christianity.

WHAT IS THE QUESTION?

A preacher once entitled his sermon, "If Christ Is the Answer, What Is the Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important questions:

What is the purpose and meaning of the created order?
How will I spend my one life?
How should I measure success?
How much is enough?
How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

No question about it, Baptist students and Baptist colleges belong together!

THE TRIPOD

Dr. S.L. Stealey, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have based more than one hundred years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statement all Baptists should ponder.

North Carolina Baptist colleges are guided, as are the churches and the Convention, by historic Baptist principles:

1. *The authority of the Scriptures and the Lordship of Christ.* Because we regard the Bible as sufficient authority, to be interpreted by the individual under the guidance of the Spirit of God, we do not need authoritative creeds or ecclesiastical organizations as a substitute for the authority of the Bible.
2. *The competence of the individual and the priesthood of believers.* Each individual has the right to approach God directly, and every individual is competent to deal directly with God in all matters pertaining to salvation and the Christian life.
3. *The autonomy of the local church and cooperation in Christian service.* Each church is congregational in organization, with every member having the right to vote. Cooperation, not coercion, is the basis of denominational unity.
4. *Freedom of religion and a free church in a free state.* Religious liberty rather than religious toleration is a North Carolina Baptist distinctive.

The enduring ties and relationships between Baptist colleges, Baptist churches and the Baptist State Convention help to guarantee the tripod's balance and a healthy spirit of partnership in the Gospel.

Baptist Hospital Report to the Associations 1990

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession. . .One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement from Dr. Charles P. Nicholson, Jr., Baptist Hosptial Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion is the Day Care Center for children of medical center employees. Under construction is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out artherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthodpeic Surgeons

began use of the Ilizarov Technique for the repair and lenghtening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital and in Ambulatory Surgery. These patients came from all across North Carolina and from 34 other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads through the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

Sunday School Board of the Southern Baptist Convention Report to State Conventions and Associations 1990

A year-long celebration of the Sunday School Board's Centennial was launched in June 1990 at the Southern Baptist Convention in New Orleans, Louisiana.

"Celebrating Heritage and Hope" is the theme of the celebration of the Board's 100 years of serving Southern Baptist people and churches.

"It is with gratitude to God for a heritage rooted in Holy Scripture and committed to service among Southern Baptist people that we enter our second century," said President Lloyd Elder. "We move forward buoyed by a spirit of hope and guided by the light of God's truth."

The Board was established amid controversy at the 1891 Southern Baptist Convention meeting in Birmingham, Alabama, where a record 855 messengers registered. J.M. Frost, a 42-year-old Virginia pastor, was the leading proponent of a Southern Baptist publication board, while J.B. Gambrell, editor of the *Baptist Record*, state paper of Mississippi, opposed the idea.

The 13-member committee named to bring a proposal to the convention commissioned a two-man subcommittee, Frost and Gambrell, to prepare the report. Gambrell offered to let Frost write the report and name the Board's location, provided that Gambrell could write the closing paragraph. Frost agreed, provided that he be allowed to write the closing sentence.

Gambrell recommended "that the fullest freedom of choice be accorded to everyone as to what literature he will use or support." Frost then urged "all brethren to give this Board a fair consideration."

Frost presented his report in a tension-filled room as messengers on both sides waited, speeches in hand. When Frost had finished, John A. Broadus, president of Southern Baptist Theological Seminary, made an impassioned appeal for peace. In silence, the report was then adopted with only 13 dissenting votes.

From its beginnings with one assignment, publishing Sunday School literature, to the present with 17 Convention-assigned programs of work, the Sunday School Board has operated from the sale of literature and services. It has never received funds from the denomination or the Cooperative Program. Instead, almost $20 million has been contributed to the operating budget of the Southern Baptist Convention through the Cooperative Program. Also, more than $55.2 million has been funneled to state conventions for the support of Sunday School Board-related programs.

Adjusting the annual contributions to 1990 dollars using the *Consumer Price Index,* the Board has given almost $225 million to the work of the Southern Baptist Convention and to state Baptist conventions.

In 1991, as the Sunday School Board moves into its second century, its ministry will continue through three major publishing projects.

The Baptist Hymnal will be released during a four-day celebration in Nashville, March 11-14. The first volumes of *The New American Commentary* will be released and available at the 1991 Southern Baptist Convention meeting in June. And improved Sunday School literature for all ages will be introduced in October.

Elder said the Board begins its second century with a continuing commitment to the twin principles of autonomy and cooperation espoused in 1891 by Frost and Gambrell. "We appeal for the support and trust of our Southern Baptist people. Our goal is to serve all of the churches of this great denomination."

Statistical Clerk's Report 1989-1990

The transfer of this year's statistical information to magnetic data marks the second year in a row we have used computer systems. All numeric calculations and totals were done by computer so the margin for error should be minimal. Considering the fact that data from 42 churches was compiled on 12 different tables, please make marginal allowances for key-stroke error. All data was double and triple checked to provide you with the most accurate statistical information possible.

There are **12 statistical tables** listed in the back of this book. These 12 tables are alphabetically listed. A summary listing of each table is as follows:

Table A: Church Membership/Information
Table B: Sunday School
Table C: Discipleship Training
Table D: Church Music Ministry
Table E: Woman's Missionary Union
Table F: Brotherhood
Table G: Stewardship
Table H: Mission Expenditures
Table I: Special Information
Table J: Special Information (Continued)
Table K: Pastor's name, church and mailing address.
Sunday School Director's name, church and mailing address.
Table L: Top Ten List

There are also **8 graphs** depicting a visionary comparison in the Brunswick Baptist Association from 1987-88, 1988-89, and the 1989-90 church years.

Thank you again for allowing me the opportunity of serving you in this capacity.

Ms. H. Elaine B. Phelps, Statistical Clerk

Constitution

Brunswick Baptist Association

(as adopted 23 October 1987)

PREAMBLE

The messengers from the Missionary Baptist Churches comprising the Brunswick Baptist Association do hereby declare the following to be the Constitution and Bylaws governing the functioning of the Brunswick Baptist Association.

ARTICLE I - NAME

This Association shall be denominational and shall be known as the Brunswick Baptist Association.

ARTICLE II - PURPOSE

The prime purpose of the Association shall be to counsel together for enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service.

The means of accomplishing the purpose of this Association shall be in strict conformity with the New Testament and the guidance of the Holy Spirit.

ARTICLE III - MEMBERSHIP

Section 1. This Association shall be composed of the cooperating churches which have been received into and continued in the fellowship of the Association.

Churches may be received into fellowship only after having been under the watchcare of the Association for one (1) full year. Application for membership shall be made in accordance with the rules and regulations established by the Association. Churches under watchcare of the Association shall make written reports of their progress and cooperative efforts as required by the Association.

Section 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and Bylaws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

(1) Be a church applying from a sister association, coming in good standing, or

(2) A duly constituted church formerly sponsored as a mission for at least one (1) full year by a current member church, or

(3) A mission, under the sponsorship of the Association, that has been constituted as a church, or

(4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

ARTICLE IV - MEETINGS

Section 1. The Associational year shall close on the 30th of September. Letters from the churches shall, as soon thereafter as possible, be transmitted to the Clerk of the Association for consolidation and use at the annual session, which shall convene on Thursday afternoon, Thursday night, and Friday morning and afternoon, after the third Lord's Day in October of each year, except, however, when compelling conditions make it necessary to change this date, in which event the Executive Board shall be empowered with authority to determine the date of the session.

Section 2. Special meetings may be called by the Moderator provided two (2) weeks' notice is given to all affiliated churches.

Section 3. Messengers of the churches to the meetings of the Association shall be composed of the Pastor or Interim Pastor of each of said churches, and three (3) messengers from each church whose membership is 200 or less, and one (1) additional messenger for every 100 members or fraction thereof in excess of 200. Such messengers must be certified by their churches to the Association.

Section 4. Only certified messengers from affiliated churches shall vote on matters before the Association.

ARTICLE V - AUTHORITY

Section 1. The New Testament is the sole authority for the faith and practice of this Association. The doctrinal statement known as the New Hampshire Declaration of Faith, as revised by the Southern Baptist Convention in 1963, reflects in general the doctrinal beliefs of this body.

Section 2. In no instance shall the Association presume to direct or control any member church with reference to its own government or internal policy, but shall be ready and willing at all times to counsel, advise or assist any member church, when so requested.

ARTICLE VI - GENERAL OFFICERS

Section 1. The general officers of the Association shall be Moderator, Vice Moderator, Clerk, Statistician, Treasurer, Parliamentarian, and Chairman of Trustees. These officers shall be known collectively as the Administrative Service Officers.

Section 2. They shall be elected annually by the Association and shall assume their responsibilities at the close of the session at which they are elected and serve throughout the ensuing year.

Section 3. The elective term of the Moderator shall be limited to two (2) consecutive years; provided, however, after a lapse of two (2) years he shall be eligible to again be elected.

Section 4. In the event a vacancy occurs in the office of the Moderator, then the Vice Moderator shall immediately and automatically become the Moderator for the unexpired term of office. In the event a vacancy occurs in any other administrative service officer position, then that office shall be filled by the Executive Board upon a majority vote.

ARTICLE VII - OTHER OFFICERS

The Association may establish, as the need arises, further offices in order to implement those programs needed to perform those tasks consistent with accomplishing the goals and purposes of the Brunswick Baptist Association.

ARTICLE VIII - TRUSTEES

There shall be three (3) Trustees of the Association serving terms of three (3) years each. The Trustees shall be nominated by the Nominating Committee and may succeed themselves. One (1) Trustee shall be elected at the annual session each year.

ARTICLE IX - EXECUTIVE BOARD

Section 1. The Executive Board shall be composed of the General Officers of the Association, the Pastor, or Interim Pastor, of each church in the Association, two (2) members from each of the participating churches (the latter to be elected annually by their respective churches), the Director of Missions, the General Board Member and the Director/Chairman of each ministry/program committee established by the Association.

Section 2. The Executive Board shall act in behalf of the Association between annual sessions and supervise the work of the Association in promoting the programs of the Baptist State Convention and the Southern Baptist Convention.

Section 3. The Executive Board shall meet annually on the Monday night after the second Sunday in January and at least quarterly thereafter each year on nights established by said Board at the annual January meeting.

Section 4. Representatives from twenty-five percent (25%) of the member churches shall constitute a quorum at a meeting of the Executive Board.

Section 5. The elected Moderator, Vice Moderator, Clerk, Treasurer, Statistician, and Parliamentarian shall serve the Executive Board in their respective capacities.

ARTICLE X - STANDING COMMITTEES

The Association may adopt those rules needed to establish committees to accomplish the goals and purposes of the Brunswick Baptist Association.

ARTICLE XI - PERSONNEL

The Association may employ personnel as needed to carry out the programs of the Association. The Association shall select an Associational Director of Missions for an indefinite term. Duties of the Director of Missions shall include supervision of the day-to-day operation of Associational programs and other duties assigned by the Association. Selection of the Associational Director of Missions shall be made by the Executive Board.

ARTICLE XII - FINANCIAL LIMITATIONS

No program shall be inaugurated which might involve the Association directly or indirectly in a debt, without securing prior approval of the Association. Likewise, no solicitation of funds for any program or ministries shall be made to member churches or auxiliaries of any member churches by any

department or committee or auxiliaries of any department or committee of the Association without prior approval of the Association.

ARTICLE XIII - AMENDMENTS

This Constitution and its Bylaws may be altered or changed only at Annual Session when a Quorum of churches is represented by messengers and then only by a two-thirds (2/3) majority of the messengers voting. Provided that notice shall have been given with the reading of the proposed change(s) the previous day that such motion will be presented. Messengers from fifty percent (50%) of the churches shall constitute a quorum.

ARTICLE XIV - PARLIAMENTARY RULES

The rules of this body shall follow *Robert's Rules of Order,* Revised.

(This Constitution was unanimously adopted by the Brunswick Baptist Association on 23 October 1987.)
